Liz:

I don't think I'll ever be able to forget you and I pray that I never do. I will miss you so very much this next year. I just hope that we can still make it through this year being apart. I'm sure that we will with the love we have for each other. I also hope you'll be able to find your way to all your classes by yourself and be able to unlock your locker. This past year has been my best school year ever and you were the best part. We always had fun during school even though it was boring. I could always look forward to seeing you after class at your locker. I had a blast skipping school with you eating chicken in the park. We always somehow managed to have fun even through the bumps in the road of life. I feel like I'll never be able to have the same amount of fun without you being there. I love you so much that I will never forget you. I can't put into words the all the love and fun that we had this year. I'll remember this year and you always. I love you very much. Love you always.

Hero escapes villain's temptations

With a rumble of music, Lake Highlands auditorium came alive with the Drama Department's first major melodrama production. "The Fallen Saved," complete with hero and villain, allowed the audience to play a part as they hissed the villain's dastardly deeds, and cheered the hero on.

The story begins with the villain, Squire Cribbs, demanding money for the rent from a poor widow and her beautiful daughter. The hero, gallant Edward Middleton, quickly steps in, marrying the daughter, Mary Wilson — thus saving the day. But, to get revenge, the villain drove the unknowing hero to drinking and to near ruin.

Before all was lost, Arden Rencelaw, a wealthy friend of the poor and friendless, rescued the distraught hero and returned him to his loving wife and daughter.

The spirited drama relived part of the 1800's with the settings, a nosey village and bustling city, gala dancers in hooped skirts, and Keystone cops. The show was directed by Mrs. Pam Ellard and Mrs. Donna Matlock.

UPPER LEFT: Sophomore Michael Jackson, senior Cheryl Bond, and the hero angrily listen as senior Donald Giddings warns them about the villain's plans. ABOVE: Senior Johna Storm wonders if she will ever see her drunken husband again while her daughter, Amy Matlock, sleeps at her side. VR presents potpourri of comedy

As the curtains opened at Lake Highlands many new and unique talents became obvious as the 1976 Varsity Review was presented to an attentive audience. This year's VR was a potpourri of comedy, song and dance presented after many long hours of work.

Many musical acts revolved around song and consisted of groups and solos. Among them were senior Brad Baylis singing his contemporary tune "Man on the Road." Accompanying him were junior Charlotte Jones on the drums and sophomore Lisa Whitworth on the piano. Senior Melody Smith expressed herself in an original composition "Everyone Needs Someone" and Diane Edelman sang a song made popular by Edie Gorme "What I Did for Love." For a change of pace senior Patrick Regan performed a medley of Scottish tunes on his bagpipes. Senior John Young showed his expertise on the 12-string guitar with an original composition.

A major part of VR was dancing and senior Brent Nance danced mechanically to the beat of "Biyo" in a lights-out act. The Highlandettes performed a traditional routine in the aisles to "Sal Soul Hustle" to end the '76 VR.

As a special highlight, the cheerleaders presented their traditional Victory cheer.

ABOVE: Senior Diane Overton and a friend Denise Frantz awe the audience with the medley "I Believe in Music."

'A Time to Remember' provides

"A Time to Remember" was an appropriate theme for the 1976 Homecoming week. In preparation of the Homecoming night's events, the Lake Highlands student body actively relived memorable highlights of past generations. Beginning the activities of the week, students participated in various dress-up days. Students portrayed Cowboys and Indians the first day, and the Marx Brothers the second day. Friday was reserved as the traditional red-white dress-up day.

On the last day of the festivities, the student body, exs and parents, gathered for a pep rally, cheering victory for the football team in the game against Berkner. During the pre-game activities, the crowning of the Queen, Duchess, and Princess, were announced by the Principal Jimmie Fountain. The Highlandettes performed their famous high kick routine to "This Could Be the Start of Something Big," followed by a hoop routine to "Baby Face."

Bringing the night's and week's activities to a close, the Homecoming participants unwound at the traditional dance rocking to the sounds of "Titus Oats."

ELVIS II
IN CONCERT

"Love Me Tender," "All Shook Up," "Burning Love" and many more Elvis Presley hits rang through the LH auditorium Wednesday, December 1. However, it was Rick Presley, Elvis impersonator, who had LH students clapping and dancing to the music.

Elvis II, who provided LH students with probably the wildest third period ever, was presented by the Junior Class as their major money-making project for the year. The performance netted over $1,000 which boosted the class treasury.

Highlighting the presentation was the triple performance of Elvis II, as associate Principal Tom Whitman and Senior Principal Olen Pyles came alive on stage with their semi-strip rendition of "You Ain't Nothing But a Hound Dog."

Pre-show publicity built curiosity which contributed to not only one of the best received assemblies but also the largest money-making project in LH history.

UPPER LEFT: Rick Presley comes alive with Elvis' "You Ain't Nothing But a Hound Dog." ABOVE: With a touch of seriousness, Rick Presley sings the Elvis favorite, "I Can't Help Falling in Love With You." LEFT: Rick Presley keeps fans on their feet, clapping and rocking to the music.

'Cinderella' creates aura of magic

Was it a scullery maid or a princess? Was it six mice or six black horses? A pumpkin or a carriage? With a little magic from a fairy godmother, it was all of them. The occasion was the drama department's production of 'Cinderella.'

Each year, the department presents a children's show sponsored by the RISD PTA, and performed on the LH stage. The show was directed by Mrs. Pam Ellard and Mrs. Donna Matlock. Junior Elizabeth Kopp played the famed Cinderella, and junior Robert Emery played the dashing Prince Charming.

Other characters in the play were: senior Linda Engelhardt, as the dingy fairy godmother; senior Lena Bystrom played the wicked Swedish step-mother; senior Gail Krebel, senior April Stevens, and sophomore Teri Wilson as the sassy step-sisters. Juniors John Williams and Amy Waller were the comical court jesters; junior Mike Solsberg and senior David Hartley were the Duke and Prime Minister who searched from house to house for the one foot that would fit the glass slipper. Brad Walker provided the music on the piano.

UPPER LEFT: Dancers sophomore Colleen Crudden, Tracy Hansen, and junior Luke Jones pause in between each song played at the ball. UPPER RIGHT: Junior Robert Emery, the Prince, gazes at Elizabeth Kopp, Cinderella, and falls in love. RIGHT: Senior Linda Engelhardt, the fairy godmother, bubbles with the excitement of helping Cinderella.

LEFT: Cinderella cannot believe all the magical gifts she has received from her fairy godmother.

Doors unwrap Christmas season

Halls were decked with glitter and tinsel as second period classes endeavored to create the most outstanding door for a decorating contest sponsored by the Student Senate. Students in the winning class were given a party in their second period class. First place was awarded to Mrs. Susan Boone's second year art students who created a silk screened book with a religious theme. Second place honors were given to Mr. Ronnie Hardin's architectural drafting class for their Santa Village.

Many different themes were chosen by the classes and they ranged from religious to humorous. Some of the more humorous doors were a Santa Claus with rolling eyes; one class even used Principal Jimmie Fountain who drove a Christmas sleigh full of the vice-principals. Judges for the competition were Mr. Tom Whitman, Mr. Ed Zachary, Mr. Jerry Hunt, and Mr. John Love.

Sophistication, excitement depicts Ball

As Valentine's Day approached, Lake Highlands students made plans for yet another evening of sophistication and excitement characterizing the traditional Favorite's Ball held Saturday, February 5. Sponsored by the Student Senate, the Adolphus Hotel was the spotlight of elaborate decorations, a fast-moving beat provided by the band "Lodella," and many Lake Highlands couples. The festivities were briefly interrupted for the introduction of the nominees and winners of the Favorites' categories announced by seniors Mary Ellen Blake and Laurie McChristial.

In order to raise money for Favorites to be held at a place other than the school the Student Senate sponsored a Winter Carnival in January. Lake Highlands clubs participated by setting up various booths and awarding prizes to the contestants.

As the dance concluded, exhausted couples went home while others, still-rearing to go, proceeded to an early breakfast.

'Guys and Dolls' relives 1940's era

Singing, gambling, dancing, and falling in love brought back the excitement of the 1940's in the musical Broadway hit 'Guys and Dolls,' reenacted by the LH drama department, Friday and Saturday, February 25, 26.

Coming alive on stage among the casino lights and salvation army spirit were not only the actors on stage, but also the set, prop, sound, light, make-up and costumes crews, the stage band, and the orchestra. After much hard work this tremendously large cast brought together, as director Mrs. Pam Ellard stated, ". . . our most successful musical, artistically up to date."

Among the action in the drama was the development of two love affairs, the search for a crap game site, and the reformation of a big-time gambler by a salvation army worker.

Faculty outdribbles Key Club Seniors

In the spirit of true tradition Lake Highlands students, faculty and staff joined together to view the athletic competition between Key Club seniors and various faculty members. Throughout the game the faculty exhibited their superior athletic ability as they kept the seniors constantly striving to maintain an even score. During halftime junior cheerleaders entertained spectators with their great pyramid act. Key Club seniors also honored their sweethearts, Stacy Brainin and Lori Pulliam by giving them boxes of roses.

As the game came to an end the faculty reigned as the victors.

Spring Show recreates Broadway

Keeping in step with past performances, the Highlandettes presented their annual Spring Show in the Lake Highlands auditorium Saturday, March 19. Building on the theme of Broadway musicals the Highlandettes presented their own version of the Tony Awards, "Another Opening . . . Another Show," with special Master of Ceremonies Brad Hutchinson. The officers portrayed the famous actresses Charo, Cher, Annette Funichello, Ann Margret, and Faye Dunaway which also added to the Broadway atmosphere of the show. Each squad did a routine to the famous music from Broadway hits and Captain Tammy Whigham added zest to the show with a routine to the music of 'One' from the musical "Chorus Line" as her captain's solo.

The Spring Show is the last performance the Highlandettes give each year and is their last fund-raising project intertwined for the enjoyment of the girls and the community.

LOWER RIGHT: Senior Sally Yount and juniors Diane Burgdorf, Leslie Teague and Missy Green dance to a friendly arrangement of "Consider Yourself" from Oliver.

6,000 Red Carnations welcome spring

With the approach of spring, Lake Highlands has a unique tradition of combining spring and friendship. Each year the National Honor Society sells red carnations as its major fund-raising project with a special purpose to bring students and faculty closer together. Any profit is used to benefit the school. This past year the NHS sold over 6,000 carnations in February and delivered March 23 to students in their second period class. Students and sponsors spent many long hours writing messages which were attached to each red carnation.

Juniors 'jive' to victory in olympics

Back-to-back race, egg drop, sleeping bag change, tissue wrap, grape-stuffing and pie-eating were among the events featured in the annual AFS Olympics held Tuesday, March 22. The Lake Highlands student body crowded into the gym to watch the AFS Seniors '77, the Jivin Juniors, and the Super Sophs compete for the Olympian championship.

American Field Service members, various teachers, coaches, and even the class presidents participated. LH's exchange student from Turkey, Burack Adalick, expressed a few words, and senior Tim Cornitious was awarded AFS Sweetheart. Out of all the events, the Jivin Juniors victored with the most points.

Presentation Ball reflects elegance

Enchantment and romance highlighted the close of the year for the Girls' Service League Saturday, March 26. GSL members and dates, teachers, and senior's parents gathered for the annual Presentation Ball at the elegant Le Baron Hotel Ballroom.

Before the dance, seniors and officers were honored with flowers as they were escorted under a decorated arch and down a runway. The senior members and officers were presented along with their dates by Mrs. Martha Ann Cates, sponsor of GSL. Mrs. Pat Kitzmiller, assistant sponsor this year, was also acknowledged during the presentation. Special awards and thanks were given to those who had contributed to the club. LH government teacher Mrs. Mary Marlar, who sponsored the first GSL group, was awarded a silver bowl for her exceptional concern and service. Also, Mr. Tom Whitman, special services principal, received a plaque in return for his help in securing various contracts and negotiations.

Following the presentation of honors and gifts, the senior girls and their fathers danced the traditional father-daughter dance. Providing the music for the evening was the rock band, 'Central Expressway.'

Senior Show humors, delights audience

'Still Crazy After All These Years' reflected the mood of the 1977 senior class as they presented the annual Senior Show May 13 and 14 in the LH auditorium. Under the direction of Miss Susan Ferguson, the seniors combined their talents to help raise the final funds for the Prom.

Emcees David Hartley and Danny Keele introduced each act and delighted the audience with comedy skits throughout the show.

Acts ranged from the serious mood of the finale of 'A Star is Born,' sung by Johna Storm, to the humor of 'Rubber Duckie' with Amy Quick and Randy Sedlacek. Other comedy acts included the senior men's number, 'Treez,' and 'Primary to Puberty.'

More serious moments came with Deborah Ann Cage's 'Inseparable,' 'Summer Sunlight Dream' by Danny Keele and Brad Baylis, and 'I Write the Songs,' sung by Donald Giddings.

A slide show recap of the year concluded the show.

Awards Assembly recognizes seniors

Each year the Awards Assembly honors and awards students who did an outstanding job in their high school years through academic achievements and leadership. Special Services Principal Tom Whitman presented most of the awards and introduced the guests who awarded the students with scholarships, plaques, medals, and certificates. Departmental awards were also given for special talents in music, art, sports, and academics. Among the awards and scholarships given were the Tom Brewton Memory Award presented by Mr. Gene Stallings to Junior Raymond Navarro, the DAR Good Citizenship Award presented by Mrs. Helen Walton to seniors Tim Cornitius and Laura Stallings, and the Dallas Music Teacher's Association presented Senior Donald Stewart with an award.

Many special scholarships were given to worthy students and among these the Navy Nuclear Power Scholarship was awarded to Bryan Berry, the twirling scholarship given to Paula Cork and the John Malanaphy Memorial Scholarship was presented to senior John C. Hickman.

Elegant setting highlights Senior Prom

A typical senior year includes finishing school, attempting to attend numerous senior parties and activities, and struggling with decisions for the future. But for most, the Senior Prom is the highlight of that last year in high school.

This year's Prom was held in the elegant setting at the Royal Coach Inn Friday, May 20. Seniors, their dates, and faculty members traditionally splurged on an expensive dinner and proceeded to the Inn for a romantic evening full of dancing and socializing with old and new friends.

Providing the music for the occasion was the rock band 'Titus Otes,' who played everything from rock to "Blue Suede Shoes." This five-man group has played for and been enjoyed by Lake Highlands students on a number of occasions.

The Class of '77 began their plans for Senior Prom during their sophomore year. Fund-raising projects, such as selling popcorn and lightbulbs, were a part of the income earned towards the event. Also, various entertainment, special concerts, or school dances contributed to the planned budget.

Twelve years of school work, three years of fund-raising, and being with a special person in a fanciful setting characterized the 1977 Senior Prom.

Larry Walker stresses individuality

Looking to the future and not being afraid to stand alone for something you believe in was stressed by Evangelist Larry Walker at the baccalaureate service May 30 in the Lake Highlands auditorium.

Providing music for the processional and the recessional, was Mr. Dennis Guill, assistant principal of Richardson Junior High School. The senior Varsity Choir members under the direction of Miss Marjean Egdar, added to the program with the Hymn "God So Loved the World." Dr. John Knox Bowling began the services with the invocation and senior Brad Hutchison lead in the scripture reading of Matthew 6:25-33. Following Mr. Walker's sermon the benediction was lead by senior Bret Hammers delivered to the proud parents, friends, and relatives of the graduates. As the recessional concluded the ceremony, graduates filed out to meet with friends and family.

Seniors '77 boasts 176 honor grads

An aura of excitement filled SMU Moody Coliseum Wednesday, June 1, as friends, relatives, and proud parents assembled to witness LH's Class of '77 conclude their high school days.

Beginning the program was George Pyle leading the invocation and Don Dennis, salutatorian, followed with the welcoming address. Additional remarks were made by Principal Jimmie Fountain, Superintendent J. J. Pearce, and valedictorian Ellen Pendergrass. Tim Cornitius lead the benediction as 701 graduating seniors, 176 honor graduates, and parents bowed their heads.

Anxious to complete high school, but reluctant to leave their friends, the Class of '77 graduated with satisfaction and pride.

Don Carter's hosts All-Night Party

Don Carter's All Star Bowling Lanes hosted the '77 Senior All-Night Party June 1 after the graduation ceremony. Partying from 10:30 p.m. until 4 a.m. gave seniors one last opportunity to be together as a class, relive fond memories, and have fun.

Don Carter's offered many activities to keep tired seniors busy, such as bowling, disco dancing in the Coo Coo's Nest, pinball machines, movies, drawings every few minutes for prizes, and never-ending quanities of food. The parents committee provided the necessary funds for prizes such as portable television sets, C.B. radios, bicycles, and many coupons for free dinners. They also provided the food the seniors indulged in during the six hours they attended the elaborate farewell.

'Les Heureux' compete in contest

'On ne sait jamais' was the motto of the 1976-77 French Club, also known as 'Les Heureux.' Translated as 'one never knows,' the French phrase adorned the front of the first French Club T-shirts.

The monthly parties of the club included an ice-cream party, a fondue party, Christmas caroling, and a trip to Llove. In January, members of the club and sponsor Miss Fran Maples attended the French play, 'Tartuffe.'The classic comedy by Molière was performed at Theatre Three in the Quadrangle.

Competing in the National French Contest in March, Lake Highlands French students compared favorably with other area junior high and high school students. French Club members also participated in a day of competition at "La Fête Française" at the University of Texas at Arlington. The contest, held in April, provided challenging competition in the areas of French drama, cuisine, and art. Less serious competition was offered in booth decoration and a car rally.

Highlighting the year was the formal French banquet at which awards were presented to the outstanding student in each level of French.

Slave ceremonies initiate activities

Slave initiation set the pace for a year of colorful activities for the 1976-77 Latin Club, formally known as the Lake Highlands Chapter of the Junior Classical League. At the annual initiation picnic, first year students became slaves for a day with second year students serving as their masters.

Highlighting the year, the annual Christmas banquet, Saturnalia, took place in December at Il Sorrento where members enjoyed Italian dishes and an Old Roman atmosphere.

Junior Classical League conventions during the year offered Latin Clubbers competition in various aspects of Roman culture. Members traveled to Sherman in February to attend the area convention where they earned several blue ribbons. Equally as successful was the state convention held in Amarillo, Texas, in March. The club provided funds for its conventions and activities by holding a "career day" at Kip's Restaurant and taking inventory for Titche's.

Members of the club attended a Roman banquet in May held in the LH cafeteria. Roman columns and authentic Roman dress characterized the event which culminated the year's activities.

Convention offers challenges, fun

Competing in the annual German Convention in March highlighted the activities of the 1976-77 German Club, sponsored by Mrs. Carolin Peadon. The TAGS (Texas Association of German Students) Convention in Waco, Texas, offered competition in German poetry reading, music, art, and sports. Hosted by Baylor University, the two-day convention ended with a banquet and awards ceremony.

Activities during the year included ice-skating, a picnic at Fair Oaks Park, and several parties where members enjoyed German foods, dancing, and games. The club added to the success of the Student Senate Carnival in January with a hot dog booth operated by club members. To provide funds for these various activities, the club sold stationery in February.

Spanish Club hosts PASF district meeting

Breaking the piñata, eating, dancing and game playing highlighted the Christmas festivities of the 1976-77 Spanish Club. Held in the gameroom of the King Edwards Apartments, December's party was the first in a series of exciting events for "Los Gatos Montaneses."

In January, the LH Spanish Club, sponsored by Mrs. Betty Montgomery, hosted the district meeting of PASF, the state Spanish Club, in the cafeteria. In addition to the attending of business matters, members held an auction which helped raise funds for the district's various activities.

An evening at Llove Entertainment Center in January offered members ice-skating, roller skating, and a live band.

Richardson High hosted the second district meeting which was the last before the state convention February 25. Members traveled to San Antonio after careful preparation for the variety of contests offered at the statewide contest.

Marathon creates enjoyment, fun

Bible study and basketball proved to be the major interests of the 1976-77 Boys' Fellowship of Christian Athletes, sponsored by Coach Jerry Wells. Weekly meetings in the homes of members allowed the club time for studying scripture, hearing testimony, and enjoying refreshments.

In December, members went Christmas caroling at the Doctors Nursing Center. A basketball marathon in March highlighted the year for members with enough strength and willpower to continue the game overnight. The club also co-sponsored a basketball game with the Latin Club in which members played alongside the Dallas Tornado Soccer Team.

Not only did these activities create enjoyment for the Lake Highlands student body, they created funds for the FCA Conference at Estes Park, Colorado. The club traveled by bus to the popular resort where they spent several days of Bible study, prayer sessions, and recreation. The trip gave FCA members the opportunity to enrich their spiritual lives as well as form new friendships with FCA members across the United States.

Members invited throughout the year various guest speakers, including Gene Stallings, assistant coach for the Dallas Cowboys.

Christian faith unites Girls' FCA

Sharing in the Christian faith united members of the 1976-77 Girls' Fellowship of Christian Athletes, sponsored by Miss Debra Tanner. Bible study meetings enlightened members as they studied the three books of John. Girls' FCA meetings were held every two weeks with the officers serving as directors and leaders.

Guest speaker Mozelle Turner spoke to members in February about the important aspects of spiritual charm. The club enjoyed a Christmas caroling party in December, and provided a 'Chinese string pull' booth at the Student Senate Carnival.

Girls' FCA, along with its male counterpart, Boys' FCA, sponsored and participated in the annual basketball marathon held at Lake Highlands in March.

Garage sale provides needed funds

Concern for community welfare characterized the 1976-77 Junior Exchange Club, sponsored by Mr. Tommy Townsend. The club provided several parties and service projects for area nursing homes, orphanages, and hospitals. Among the year's activities was a Christmas party at the Scottish Rite Hospital and a visit to the Juliette Fowler Orphans' Home.

A garage sale in March provided the needed funds to continue serving the Lake Highlands community.

Several of the members attended the monthly breakfasts sponsored by the Northlake Exchange Club honoring the Boy and Girl of the Month.

RIGHT: Officers for the club were: Tim Hogan, secretary; Donnie Smith, president; Tim Cornitius, vice-president; and Joe Dixon, treasurer. BELOW: Club secretary Tim Hogan discusses plans for the club's garage sale in March. LOWER CENTER: Members of the Junior Exchange Club.

Junior Exchangettes aid community

Enthusiastic service characterized the 1976-77 Junior Exchangettes as they planned and participated in several projects that benefitted area hospitals and homes. Aiding the community was the primary interest of the club consisting of LH girls and sponsor Miss Debra Tanner.

Activities during the year included a party for the children at the Juliette Fowler Home in November. A visit was made in December to the Scottish Rite Hospital where each child was given a Christmas stocking made by club members. Helping with the March of Dimes kept members busy in January. February took the Junior Exchangettes to the Christian Care Center where they distributed valentine sacks.

Each month, the club participated in the Exchange Club Breakfast honoring Lake Highlands students chosen as Boy and Girl of the Month.

Melodrama highlights productions

"The Fallen Saved," or "Down with Demon Drink," a melodrama produced by the 1976-77 Red Masque Club in October, delighted capacity audiences as it began a year of productions and other activities for the club. Sponsored by Mrs. Pam Ellard, Red Masque produced the children's show "Cinderella" in December, and the musical "Guys and Dolls," in February.

Club initiation began the year at the annual Halloween costume party in October. Members had the opportunity to tour the State Fair Music Hall and to view the talents of senior Robin Rautenberg as she demonstrated the art of pantomime in November. Also in November, members saw "The Hobbit," a play produced by Richland College.

Preparation for the annual UIL One-Act Play Contest March 25 demanded much of the time and talents of club members who participated. Red Masque produced the play, "The Madwoman of Chaillot" for the nationwide contest held in Sherman, Texas.

UIL motivates talented speakers

Speech tournaments provided members of the Speech Club the opportunity to demonstrate their varied talents. Sponsored by Mrs. Donna Matlock, the club entered contests held at Jesuit, Plano, and Plano Vines High Schools. In each contest, entrants earned ratings of excellence for their public speaking ability.

Preparation for the University Interscholastic League Contest in the spring proved to be the most demanding activity of the year. Among the contests entered were prose and poetry reading, persuasive and informative speaking, and a debate concerning the need for change in the Federal Penal System.

Although no officers were elected, a Tournament Board consisting of senior Linda Engelhardt and junior Elisa Maloff was established for the club.

Literary contests display talent

Literary contests throughout the year created enthusiasm for the members of the Kappa Rho Writers' Roundtable. The club's main objectives were the improvement of members' writing ability and success at the various schoolwide, statewide, and national writing contests.

Material from the club was submitted to the Texas High School Poetry Contest in which LH students received a second and third place. The national poetry anthology, Young America Sings, selected a work by senior Donna Zeigler to be included in the publication. Other contests entered were the Guidepost Magazine Personal Narrative Contest and the Literary Cavalcade Contest.

Kappa Rho, sponsored by Mrs. Doris Williamson, hosted the 14th annual Awards Night announcing the winners of the schoolwide writing contest.

The major project of the Writers' Roundtable was the "Katoptrin," the first LH literary anthology. Developed in collaboration with Creative Reflections and the Business Education Association of Lake Highlands, "Katoptrin" was written and compiled by Kappa Rho members.

Two resource speakers visited Lake Highlands sponsored by the club. They were Pauline Crittenden, avid mountain climber and poet, and Pat Stodghill, President of the Poetry Society of Texas.

AFS welcomes exchange student

Hailing from Istanbul, Turkey, senior Burak Adali spent a year of study at Lake Highlands sponsored by the 1976-77 American Field Service. Foreign exchange students from around the world are welcomed by AFS each year with the help of the Adult Chapter.

In order to meet the cost of hosting foreign students and sending LH students abroad, AFS, sponsored by Mrs. Dot Biggs, participated in several fund-raising projects. The annual AFS Olympics in March proved to be the most profitable as members participated in the traditional games. The club also sold student directories, balloons, and bumper stickers.

In January, members helped with the Children's Carnival in the girls' gym by preparing a 'squirt gun' booth.

Outstanding club service was rewarded in the spring when a chosen group of AFS members visited St. Marks Academy for a day.

SS sponsors projects, activities

Acting as central coordinator for school functions and projects, the Student Senate provided Lake Highlands with an eventful year. Sponsored by Miss Nell Jennings, the Student Senate began the year with class officer elections and a food and toy drive in the fall.

Homecoming Week gave LH students an opportunity for originality with the traditional dress-up days. Themes included Cowboys and Indians, the Marx Brothers, and the traditional Red and White Day. The band "Titus Oaks" provided music in the cafeteria for the Homecoming Dance which highlighted the week's activities.

The second annual Student Senate Children's Carnival in January boosted the treasury while providing a day of excitement for area children. The highly successful project took place in the girls' gym where LH clubs provided games and refreshments. Also helping to meet costs for the year's activities were donut sales and profits from the Student Senate bookstore.

The Adolphus Hotel hosted the annual Favorites Dance February 5 as LH students danced to the music of "Lodello" in the Grand Ballroom of the famous hotel.

LH honors outstanding students

Scholarship, leadership, character and service comprised the requirements for the 1976-77 National Honor Society. Formal induction services in which members pledged to uphold these standards took place January 19 in the LH auditorium. Club president Buddy Wade introduced old and new members as they participated in the traditional candle-lighting ceremony. The night's events included an enlightening speech by LH government teacher Mrs. Mary Marlar, who was aided by an artistic interpretation by junior Sherie Mistrot.

Combining recreation with community service, the club, co-sponsored by Mrs. Betty Aday and Mrs. Jane Mitchell, held a party early in the year for the purpose of making tray favors and activity books for the Children's Medical Center.

Red Carnation Day in the spring highlighted the year's activities for the club. The annual event gave students the opportunity to demonstrate their appreciation for fellow students and teachers alike. Honor Society members sold and prepared the flowers which provided a day of surprises and enjoyment for LH students.

Sidewalk art sale displays talent

Kimball Art Museum in Fort Worth was the destination of the Creative Reflections Club on October 16. The quest, to see and study Faubism, an unusual type of art, proved interesting, and to many it was a learning experience. Another special treat included studying Chinese art and food. Profits were made from a sidewalk art sale where students' art was sold.

Mrs. Susan Boone, sponsor of the Creative Reflections Club, supervised all activities and original creations. Traditionally, each member contributes his talents to creating backdrops for all drama productions. This year, as always, Creative Reflections Club provided a teacher's workshop for faculty members who were curious about art.

Pearson heads District X Convention

Community service and an interest in educational careers was the common goal which made up the Future Teachers of America sponsored by Mrs. Joyce Pitman. Besides its own local chapter officers, members of the Lake Highlands chapter of FTA were district and state officers. Senior Anne Pearson was the President of District X and presided over the district convention held at Lake Highlands in October. Andrea North was Recording Secretary for the Texas Branches of FTA.

Service projects ranged from traditional Christmas caroling to tutoring needy individuals while learning techniques in teaching. Their most popular and successful money-making project was the sale and distribution of singing and written Val-o-grams to students at Lake Highlands on Valentines Day, February 14.

Key Club serves, aids community

Service-minded individuals with a concern for the community's well being made up the Lake Highlands Chapter of Key Club sponsored by Mr. Jess Kirkley and the International Kiwanis Clubs of America. Throughout the year the club members engaged in various school and community service projects such as working the Christmas Toy Drive for the Salvation Army and the annual Key Club-Faculty basketball game whose proceeds went to scholarships awarded at the end of the school year.

The club also enjoyed various social events for fellowship such as Christmas caroling and their traditional convention in April.

Girls enjoy service, social events

Combining fun with outstanding service projects the Lake Highlands Girls Service League again won in popularity over the other clubs with its membership of over 400 girls. An extremely active club, GSL conducted at least one service project a month to help a needy organization. These projects ranged from supporting a girl in Brazil to collecting can goods for South Dallas residents, from sending toilet articles to Terrell Hospital to supplying crafts for the RISD school for retarded children.

Not only civic-minded, GSL was actively involved in school spirit projects each month. Their bake sale and garage sale proved to be successful for raising money to support their various activities and for the two $500 scholarships they presented to club members.

In addition to the service projects, members also enjoy such special events as the annual Barn Dance to begin the year and the presentation ball to climax the active year with a special flair. Mrs. Martha Cates sponsored the club.

Bellboys promote schoolwide spirit

Enthusiasm and outstanding Key Club service was the basis for the selection of the 1976-77 Key Club Bellboys, sponsored by Mr. Jess Kirkley. The Bellboys, most of whom were officers of the Key Club, were elected by the Club members at the end of the year.

At home games the Bellboys traditionally raised the flag before the game but were most known for ringing the bell after a well executed play or a touchdown by the Wildcats. The bell, with its constant clanging was a source of inspiration to the team, cheering squads and students who attended the football games and pep rallies. The care, transportation and responsibility for the bell belong to the four Bellboys: seniors, Glenn Stone, Scott Westfall, Ken Carnes, and David Jackson.

The bell has been an active part of all sports activities of Lake Highlands since it began in 1960. The Bellboys are responsible for repainting the bell each school year.

Cheerleaders support team effort

Constantly boosting school spirit for athletic events the Varsity Cheerleaders never seem to let down their outstanding vivaciousness that they defrayed to the student body in a never ending stream. Their ceaseless cheering provided an uplifting reminder to all sports clubs of the backing from the student body.

The Varsity Cheerleaders, sponsored by Miss Susan Ferguson, participated in a special camp for cheerleaders at Southern Methodist University in August. There they learned improved methods of boosting school morale and showed their superiority by finishing third most outstanding group and winning several blue ribbons.

The athletes on the B-Teams enjoyed the same support as the Varsity players from the sophomore cheerleaders who after being elected the first few weeks of school went on to cheer the teams to a successful year. Candidates for varsity cheerleaders were chosen by a panel of judges who narrowed them down to 16 candidates. These 16 performed for the student body at an assembly and the final eight cheerleaders were chosen by a popular election of the students at the end of the 1975-76 school year. Sophomore cheerleaders were elected by the sophomore class of 1976-77 at the beginning of the year.

ST adds excitement to pep rallies

Boosted by fervor and vivacity, the Spirit Team skyrockets each pep rally and game to a buzzing excitement.

Honor girls of the team presented departing players with spirit tokens during each pep rally. The long hours of rehearsal needed for their carefully precisioned routine were rewarded at the pep rallies and the games by the spontaneous applause from the student body. Other activities included a dance paid for by proceeds of the profitable tumbler sales early in the year.

Climaxing the year for the Spirit Team, sponsored by Miss Susan Ferguson, "Motion" performed at the annual dance held at the Sheraton Hotel on LBJ.

The last half of the year was spent cheering at all home basketball games. Closing the year, the girls all practiced diligently for tryouts hoping to make next year's drill team.

Highlandettes enliven halftime show

The forceful melody of the Drill Team Theme song "Conquest," began each pep rally with excited interest as the Highlandettes march into the gym. With well-rehearsed maneuvers they made each song come alive during the half-time shows at the football and basketball games. The Highlandettes were not restricted only to school activities, however, this year they performed at the Dallas Cowboys-Philadelphia Eagles football game in September and in the Cotton Bowl Festival Parade amidst freezing temperatures in January.

Their exciting season started in the summer at the American Drill Team School where Captain Tammy Whigham was chosen most outstanding girl and First Lieutenant Phillis Frantz was chosen first runner-up for most outstanding marcher.

Other highlights for the year included the annual Christmas Dance at the Prestonwood Country Club and the annual Spring Show in March. These activities were financed by the Drill Team's Christmas Bazaar in November held at Mitchell's Department Store in the White Rock Shopping Center.

Their successful year was co-ordinated by sponsor Mrs. Katha Black.

Students view colorful performance

Each year the band entertains the student body with countless performances, each an interestingly woven routine of colorful flags, batons, and flashing instruments. The Lake Highlands Band, sponsored by Mr. Bob Brandenberger was conducted by Drum Majors Don Stewart and Jamie Browning and, during pep rallies, directed by senior Laura Irvin.

Highlights of the band's season were such performances as playing at the Dallas Cowboy-Philadelphia Eagles football game, winning the State Fair Parade of Champions contest, marching in the annual Cotton Bowl Parade and performing in the Buccaneer Music Festival in Corpus Christi. Money-making activities for the band were just as varied with their annual sale of band calendars, Christmas candles, and taking inventory for Titche's at Northpark and for Sanger-Harris downtown.

Performances reflect excellence

Performing in concerts coupled with participating in numerous competitions characterized the LH Symphony Orchestra's activities during the school year.

Fall concerts in October and November as well as a Christmas concert in December were presented after many after-school rehearsals.

Orchestra members traveled to J. J. Pearce in March to participate in the UIL contest in the Sightreading division and to Kimball High School for UIL Solo and Ensemble in February. In February, the Honor Orchestra attended the Texas Music Educators Association Convention in San Antonio. The Honor Orchestra performed in the All-Region and All-State Orchestras. Members were selected from the All-Region Orchestra to participate in the Honor Orchestra which is the highest honor received by a high school orchestra.

In March, a concert was given for all Richardson fifth grade students in the LH auditorium. Several spring concerts were performed and the annual concerto concert was performed in April.

Representatives participate in UIL

Senior, junior, and sophomore choir members combined their talents to undertake a myriad of competitions throughout the year.

The first of these contests was a festival held at Richardson High School, attended by choirs from all four RISD schools who combined to produce one concert.

Funds for the Sea Arama contest in Galveston were raised early in the year from the sale of candy bars which netted over $2,500.

Seniors Johna Storm and Diane Edeleman participated in the All-Region Choir Saturday, October 16. They were selected for competition in sightreading, and performance, and were chosen to sing in their respective sections.

All choirs performed in the Christmas and Spring concerts, held in the new LH auditorium. Every member added his or her individual talents to the LH Drama Department's production of "Guys and Dolls," which was performed February 25 and 26 in the auditorium. Choir members Danny Keele, David Hartley, Carol Farabee, and Diane Edeleman all had lead roles.

Miss Marjean Edgar assisted other judges in selecting members for the Pop Group. Brad Baylis, Laurie Downey, Diane Edelman, Robert Emery, Donald Giddings, Stacia Goad, Geoff Hill, Michael Jackson, Danny Keele, Gayle Krebel, Robin Rutenberg, Johna Storm, and Lisa Turner were selected. Madrigals and Solo and Ensemble were selected at this time.

FANG produces top-rated issues

Skilled writing, editing, and creative designing are basic requirements for all journalists. Publishing eleven quality issues, the 1976-77 Fang staff was awarded outstanding merits throughout the year. With writers and photographers totaling nineteen, the Fang produced the largest high school newspaper in the Dallas area.

Led by editor Leesa Liles, managing editor Anne Pearson, and advisor Cindi Wynne the staff spent numerous hours selling advertisements, reporting school, local and national events plus many afternoons of dedicated work. The Fang has as its main task the goal of total service to the school and community. The rewarding process of publication gave the students and faculty an added break every third Friday.

At the Texas High School Press Association Convention in Denton, in December, the publication received the All-Texas Honor Rating. In March, staff members attended the Interscholastic League Press Conference in Austin, Texas. The Fang received the all-American Rating from the National Scholastic Press Associatio and a First Class rating from Columbia Scholastic Press Associationn.

Q&S initiates outstanding journalists

As a result of high achievements, twenty Lake Highlands students were inducted into the honor society for outstanding journalists, Quill and Scroll.

To qualify, each member had to rank in the upper one-third of their graduating class, be recommended by their sponsor and achieve outstanding levels of accomplishment in some phase of journalistic publications.

Bagatelle provided the atmosphere for the annual winter journalism banquet where the new members were inducted. Upon the announcement of the twenty honor students, each member received a white carnation and returning members were presented with a red carnation.

The organization was sponsored by Journalism Adviser, Cindi Wynne.

PUB seeks revenge via sarcasm, wit

Combining sarcasm, wit and talent, thirty Lake Highlands seniors joined forces and humor in order to create the 1977 Senior Publication.

The PUB, as the "literary endeavor" is more fondly known, is a mixture of jokes, cartoons, criticisms, and original ideas organized into a unique satirical masterpiece. Recognized by seniors as the "cut to underclassmen," the staff strives to provide the seniors with a book in which pleasure and revenge are prevalent, yet handled in a tactful manner.

Beginning in early February, each PUB member spent many hours of dedicated work during the three full months of production. Sponsoring letters netted hundreds of dollars, while advertisements and subscriptions comprised the bulk of the PUB earnings.

Under the guidance of administrative sponsor Mr. Tom Whitman and faculty advisor Mrs. Pat Kitzmiller, the 1977 Senior PUB was another Lake Highlands legend — not soon to be forgotten.

Math Club hosts state convention

Accompanied by sponsor Mrs. Diane Podhrasky, the Math Club, Mu Alpha Theta Society, enjoyed an afternoon picnic in November at Saint Francis Park.

The Math department provided tutors to aid students who had difficulties in math. These tutors, honor students in math, worked with students having difficulties after school or during study halls.

A Progressive Dinner climaxed the year as members of the Math Club gathered together at Christmas time. Beginning at junior Debbie Carey's house for appetizers, going next to senior Debi Seveland's for salad, then to junior Janna Taylor's for the main course and the evening ended at senior Alan Edmonds' where dessert was enjoyed by all.

Mu Alpha Theta also actively participated in the Winter Carnival by constructing a basketball hoop.

The Math Club participated in the Dallas Baptist College Contest February 12. Lake Highlands placed among the top ten in this competition.

Skyline was the stage for this year's State Mu Alpha Theta convention, which was held in February.

PRO creates physics phenomenon

Visits to a planetarium, astronomy field trips, and field trips to local scientific concerns were a few of the activities participated in by the PRO club, Physics Research Order club. A vacuum gun was an unusual addition to the Winter Carnival. All experiments and projects were supervised and sponsored by Mr. Bryant Wolf.

Each member of PRO researched into various aspects of physics to promote a better understanding of physics.

To participate in area rodeos the Lake Highlands Rodeo Team, sponsored by Mr. Jay Higgins, traveled to Fort Worth and Denton each week. Liz Levy traveled to Fort Worth and represented Lake Highlands in the Fort Worth Fat Stock Show.

In October, industrious members held a bake sale to raise money for trips to local contests and for a Christmas party held at Donna Everett's house. Raffle tickets were sold to raise funds for the LH Rodeo Team's own rodeo. The prize was a quadrophonic stereo.

Trina Rothwell was elected Sweetheart of the Rodeo Team early in the year.

Members involved in competition

Gaining increased knowledge about their selected trades, students participated in VICA, Vocational Industrial Clubs of America, sponsored by Mr. Michael McFarland.

Members of VICA attended school in the morning, and worked at a job in their chosen field during the afternoon.

Participating in area competitions, the goal of VICA was to help students select a trade and then to give those students practice in that particular field.

Throughout the year, members periodically evaluated their attitudes, progress and goals.

Calendar sales increase treasury

Providing vocational students with knowledge and experience in the business world was the goal of DECA, Distributive Education Clubs of America, sponsored by Mrs. Maryetta Griffin. In September, members held a get-acquainted party where officers were elected.

DECA members sold over 1,200 calendars and senior Ernie McGraw was top salesman after selling $100 worth of calendars. Money was used for trips to the Apparel Mart and the World Trade Center. Neiman-Marcus Fortnight was visited by students in October.

Senior Andy Laurence and junior Charlotte Wills represented the Lake Highlands chapter of DECA in the Muscular Dystrophy Dance Marathon on November 6. They danced for sixteen hours. Over $300 was collected from sponsors who had pledged money.

Members traveled to Tyler, Texas February 11-12 to attend the Texas DECA Area II Leadership Conference. Students competed in 15 different competitions where nine students won and went on to attend the State Leadership Conference in Dallas March 10-12.

VOCT holds annual spring banquet

Area contests kept the Lake Highlands chapter of VOCT busy preparing for job skill contests, parliamentary procedure, and public speaking. VOCT, Vocational Opportunities Clubs of Texas, joined with other RISD VOCT clubs such as Berkner, Pearce and Richardson High Schools, for a picnic at Ranch 111 Park in North Garland. Breakfast meetings were held at various times during the year to discuss methods and experiences.

Members of VOCT gathered together at Christmas time for a party at junior Jay Heth's house. VOCT also showed school support by participating in the Winter Carnival with a soccer-kick booth. Sponsored by Mr. Neil Patton, VOCT held their traditional employer-employee banquet in the spring.

OEA students acquire new office skills

Typing papers for other clubs provided an opportunity for many OEA members to practice their newly acquired skills. OEA, Office Education Association, was sponsored by Mrs. Carolyn Austin.

Funds for the trips to contests, both area and state, were raised from the sale of various objects such as stationery, calendars and candles and note cards. These benefits were also used for the Employer Appreciation Banquet, held in the spring.

Members who participated in the area contest traveled to Longview February 28. Those qualifying for state contest went to Fort Worth in March.

Students discover job opportunities

Students wishing to explore domestic possibilities and discover job opportunities were members of HERO, Home Economics and Related Occupations, sponsored by Miss Beth Porterfield.

During Christmas homemade cookies, baked by the members, were delivered to the Dallas Society for Crippled Children. This was one of the most important activities done all year. An Easter project was also delivered to the Dallas Society for Crippled Children.

Several representatives traveled to Houston in April for the Texas FHA State Meeting. The annual employer-employee banquet was also held in April, where outstanding students were recognized.

Counselors provide services, aid

Offering students personal advice and counseling were the LHHS counselors. Senior counselors, Mrs. Frances Davenport and Mr. Jerry Chandler, advised students not only about personal problems but career and education choices as well. They sponsored an information lending service whereby students could check out information about schools and careers they were interested in. Senior counselors also informed students as to the time and location of the SAT and ACT exams. From the scores on these exams the National Merit Finalists were chosen. Mrs. Jerry McVay and Mrs. Martha Steindig, Junior Counselors, were concerned with helping the student decide on his future career and school plans. They, along with the other counselors and PTA, sponsored College Night in the Fall and Career Night in the Spring. College Night was designed to help the students decide which colleges they might want to attend. This year over seventy-five colleges were represented. To introduce the student to the many career opportunities available to him was the goal of Career Night. Helping make sophomore students' adjustment to high school easier and quicker were sophomore counselors, Mrs. Kitty Brown and Mrs. Martha Steindig.

Variety depicts elective courses

Diversification best described the LH English department which was the first elective program offered in the Richardson school district. Any junior or senior had the opportunity to take a variety of courses such as Modern Fiction, Modern Drama, Satire and Nonfiction, Shakespeare, American Novel, Modern Poetry, Crisis in Drama and Critical Thinking and Humanities. To emphasize the importance of good grammar and sentence structure, composition and structure of the English language were also offered.

For students interested in vocational career goals, a practical English Program was taught by Mrs. Dot Biggs. The course was offered to both juniors and seniors, and taught various areas of the English language such as literature, creative writing, novel study and goal setting.

In cooperation with the English department and its head Mr. David Patton, was the creative writing contest in the spring for interested students.

Courses include cultural aspects

Up to five levels of study were offered in each of four languages including French, Spanish, German and Latin.

Emphasis was placed on the cultural aspects of foreign countries through culture days and the activities of the respective foreign language clubs. Fondue parties by the French Club, slave days by the Latin Club and wienerschnitzel parties by the German Club were a few of the many activities participated in by the students to perpetuate their interest in foreign cultures.

First year language was primarily based on vocabulary and grammar while the advanced levels emphasized the history and literature of the foreign country.

Outstanding foreign language students were recognized by awards presented by the school at the awards assembly as well as high ratings on nationwide placement tests.

Communication skills aid creativity

For students interested in communications, whether through speech or writing, Lake Highlands offered a comprehensive program including elective courses in journalism and speech. The Journalism department included Journalism I, Journalism II, (Fang Staff) and Wildcat Staff. For those interested in Speech, Speech I and II.

Advisor and teacher, Cindi Wynne taught first year journalism where students learned how to produce a school paper. The next year's Fang Staff was selected from these students. The Fang was written and laid out entirely by the staff. Produced every three weeks, the paper highlighted and covered both school and community activities. All phases of writing, copyreading, headline writing, layout techniques, and selling advertisements were mastered during the year.

Guided by Mrs. Donna Matlock, speech students studied public speaking, oral interpretation, group discussion, debating and radio and TV communications. They produced a television commercial at the Richardson TV station as well as recording several radio shows.

In April, speech students prepared for the University Interscholastic League Competition, where they placed favorably among area students.

Acting, technical aspects studied

Everything from theater history to advanced acting and set building was offered in the LH Drama department last year. Three levels of acting classes were offered as well as a stagecraft class for those interested in the technical aspects of drama.

First year drama students, concentrating on the basics of theater, studied the fundamentals of acting. To provide these students with practical theatrical experience, they were given an opportunity to perform "Dark of the Moon" before English classes. Detailed scene work and advanced acting were studied by second year drama students.

Third year drama was a select, talented group. A traveling troupe of actors, they performed at several elementary schools advertising the children's show, "Cinderella" and performing the play, "Story Theater."

All interested students could have been involved in the drama club, Red Masque. Performances of "The Fallen Saved," "Cinderella" and the musical, "Guys and Dolls" were performed by the club during the year.

Multi-faceted studies aid students

Under the direction of Mr. Charles Moore, the history department offered a variety of courses ranging from Texas History to Anthropology.

Texas History students learned the history of Dallas County, which included a detailed study of the Lake Highlands area. Reference material used was accumulated over the years from former students of Texas History teacher, Mrs. Mary Marlar.

An in-depth study into today's social problems was offered in Miss Nell Jennings, Advanced Social Science course. Miss Jennings also taught the AP American History course which, taught on college level, was offered to serious-minded students interested in history. The course covered American history from before the Civil War to the present.

Studying past cultures and socieities, Mrs. Maxwell's anthropology students created their own cultures, made artifacts and buried them. This project helped students gain practical experience in archeology and knowledge into the many facets which make up individual cultures.

Science offers labs, fundamentals

Physics, Physical Science, Chemistry, Biology and Anatomy were the basic courses offered to students to fulfill their two basic science requirements. For interested students, advanced placement physics, biology and chemistry were offered. These courses required at least two hours for lab outside of class. AP courses were designed to aid the student in college science courses.

Physics, under the direction of Mr. Bryant Wolf, head of the science department, studied matter and energy and its relationships. Beginning with the study of forces, the students went through the study of thermal dynamics and nuclear energy.

Chemistry, taught by Mr. Kelwyn Ellis and Mrs. Bernice Bonner, included the study of matter, components, reactants and structure. Both AP and first year Chemistry students did quantitative studies at the end of the year.

Advanced Placement Biology teacher, Mr. Ellis taught his students everything from the fundamentals of biology to the composition of complete organisms.

Math courses explore new areas

Already an extensive program, the Math Department expanded to include an independent study program. Under the direction of Mr. Bryant Wolf, interested students received textbooks and worked at their own pace in their spare time on subjects such as The History of Math, Linear Algebra, and Number Theory.

A new course, probability and statistics, was also offered. This course was designed to teach students how to figure chances of an event occurring.

Several other courses were offered to suit the desires and requirements of the student body. Under the direction of Mrs. Betty Aday, head of the department, the curriculum is expanding. Plans for the 77-78 year included a consumer math class to correspond with the home economics department's consumer education class. It is designed to teach students useful math to use in everyday domestic duties.

Library includes vast resources

With orientation at the beginning of their sophomore year, LH students were introduced to the many facets of the library. Often called a media center by the librarians, it was equipped with countless films, tapes, records and filmstrips.

Currently subscribing to over 50 magazines pertaining to the curriculum and the hobbies of students, the library also offered an extensive back issue magazine department. For the convenience of the students, the library was expanded to include a microfiche machine which is an automatic softwave on which magazine articles are shown. Some back issue magazines have been bound into books to aid students in looking at back magazines without checking out individual issues.

To aid teachers in their curriculum, the library offered an extensive audiovisual department. Teachers could check out filmstrips and 16 mm films through the library from the Dallas County Film Library.

Head librarian was Mrs. Fran Medlin, who was aided by two secretaries and numerous library helpers.

UPPER LEFT: Senior Billy Cummings makes the use of the library's resources for an upcoming report. UPPER RIGHT: Senior Karen Hannah uses one of the new bound magazines to reserach a term project. Classes offered business insights

Multiple insight into the business world was made possible by the various courses offered at LHHS. The Business department, under Mrs. Norma Baird, provided classes aimed at preparing the student for a business career. In bookkeeping, students learned how to systematically keep financial records for a business. Many of the principles learned could also be applied to personal record keeping. A basic knowledge of the current laws and regulations governing business is essential in today's world. Therefore, students were given an introduction to these complicated and complex rules in the Business Law classes. Shorthand and typing, two helpful clerical skills, were also taught. Clerical Practice was primarily for those students planning a career in a business office. Students learned how to use the basic office machines such as a dictaphone, an adding machine, and a printing machine.

Home Ec offers creative methods

Preparing the student for a dual role as a homemaker-wage earner, was the main goal of the Home Economics Department, under Mrs. Elizabeth Pritchett. Methods of efficiency, planning, time scheduling, and budgeting income were taught in the Consumer Education and Home Management classes. Parents were invited to luncheons, and to style shows where students modeled the clothes they made. Students were exposed to many different areas of fashion, nutrition, and design through the visitation of guest speakers.

In the clothing classes, precise but time-saving methods of construction were taught. The uses of the latest appliances such as the microwave oven, and quick well-balanced meals were studied in the Foods and Nutrition classes. The various methods of making convenience foods more nutritious were also included. All areas of family life primarily dating, marriage, child care, and budgeting finances were examined in Home and Family Living. Tasteful home design and decoration were taught in Home Furnishings; whereas, students were instructed in first aid and care of the sick in Home Nursing.

Needs of both vocational and college-bound students were studied. Students became more employable after learning the basic homemaking skills so that less effort and time was required to complete their jobs. Career opportunities in home economics and related fields were also offered.

Students obtain work experience

Realizing education is a total experience limited not only to the classroom, Vocational Education students received on-the-job-training and classroom instruction which prepared them for leadership positions in the business world. Numerous advantages resulted from this dual education program.

Under department head Mr. Scott Shepherd, specific programs were designed to fit student needs. In the Distributive Education (DE) class, junior and senior students learned the techniques of good marketing, merchandising and management. Students interested in acquiring a skilled trade or a health occupation were enrolled in the Home Economics Cooperative Education (HECE) and Pre-employment Laboratory Education (PELE) classes taught by Miss Beth Porterfield and Mrs. Kathy Branum. Qualified seniors participated in the Vocational Office Education (VOE) program. Attending school in the morning and working in a business office in the afternoon provided a unique learning opportunity. Those students with special learning needs participated in the Coordinated Vocational-Academic Education (CVAE) program, taught by Neal Patton, and the Vocational Adjustment Co-ordinator (VAC) program under Mr. Jerry Hunt and Mr. John Love.

Variety characterizes Gym classes

Designed with the diversity of student athletic interests in mind, the Physical Education Department offered classes aimed at including varied activities. In addition to regular PE I classes, LH provided co-educational gym classes in Outdoor Education, Golf, and Health. Under the direction of Mr. Jack Clark, students in Outdoor Education went on weekend hiking and camping trips. Through Modern Dance and Rhythmic Activities, taught by Mrs. Katha Black, girls acquired a sense of grace, poise, and self-confidence. For those students who preferred a more virgorous exercise, Miss Karyn Hughes taught tennis, and recreational activities. Boys' weightlifting and physical fitness were taught by Mr. Bill Robbins. Under the direction of Mrs. Donna Guidry, students competed against each other in intramural games. Basketball, ping-pong, and fussball tournaments were played.

Drafting furnishes novel techniques

Actual drafting experience coupled with an introduction to the basics of engineering gave students an insight into the many career opportunities available in the field of Industrial Arts. From basic drafting techniques, as obtained in General Drafting from Mr. Ronnie Hardin, students progressed to Architectural Drawing with Mr. Donnie Whitwell where they worked with building blueprints, and then on to the Pre-Engineering course. Individual projects were chosen and completed. A course in Machine Woodworking was offered for students who were creative and enjoyed building. Power Mechanics was designed for students who wanted to gain actual experience with construction machines. Students also learned to care for an engine. For their final exam, students were given an engine and told to find and correct its malfunction.

BELOW: In Mr. Donnie Whitwell's Pre-Engineering class, senior John Glass works on his drafting blueprint. Photography provides unique outlook

Viewing and recording the world through a camera lens provided an unusual outlook for students. Taught by Mr. David Abercrombie, students learned the effects of light, distance, and color. They started with the basics of operating a camera, measuring distances, mixing chemicals, and progressed to more difficult projects such as special effects, mood, sport, and portrait portfolio assignments. Students also learned the many techniques of lighting, screening, and coloring. The year was climaxed third quarter by the establishment of a photography sitting studio in the photography room.

LEFT: Senior Margaret Melby watches as Mr. David Abercrombie demonstrates the use of an enlarger. LOWER LEFT: Junior Karen Schwalls mixes developing chemicals. BELOW: Junior David Brooks washes a picture for his special effects assignment.

Art classes motivate self-expression

Through a relaxed atmosphere of freedom and self-expression the art classes provided students with a unique opportunity to work at their own individual pace. In first year art, students learned from Mrs. Susan Boone, the basics of good design and color. In second, third, and fourth year classes students worked to perfect their techniques through more advanced projects such as silk screening, batiking, sculpturing, woodcarving, and block printing.

In the crafts class students learned to make decorative forms of art which would also serve a useful purpose. Under the direction of Mrs. Randy Barringer, students worked with varied materials such as copper, silver, leather, and macrame jute.

The Ceramics class, taught by Mr. Donnie Whitwell, split their quarter into two periods the first of which they hand-molded the clay, and the second they mixed their own greenware and poured it into molds. An escape from the routine of school and an outlet for self-expression was provided through the art classes.

LH lassoed by WTW, Scots romp 'Cats

Opening the season against a highly rated W. T. White squad, the Wildcats were held back by an inexperienced offense and more than enough costly mistakes which resulted in LH taking a 27-7 thrashing.

The only LH score came late in the third quarter when junior Jeff Leake found senior Lewis Stigers in the back of the end zone for a 16-yard touchdown pass. Leake hit 9 of 19 passes for 106 yards.

In their home opener, the 'Cats went into the second half with a 7-0 lead only to see it diminish into their second straight defeat, 30-7 to the Highland Park Scots.

Jeff Leake again passed for over 100 yards, as he completed 8 of 15 aerials for 142 yards and once again hit Lewis Stigers for a touchdown, this time from 32 yards out.

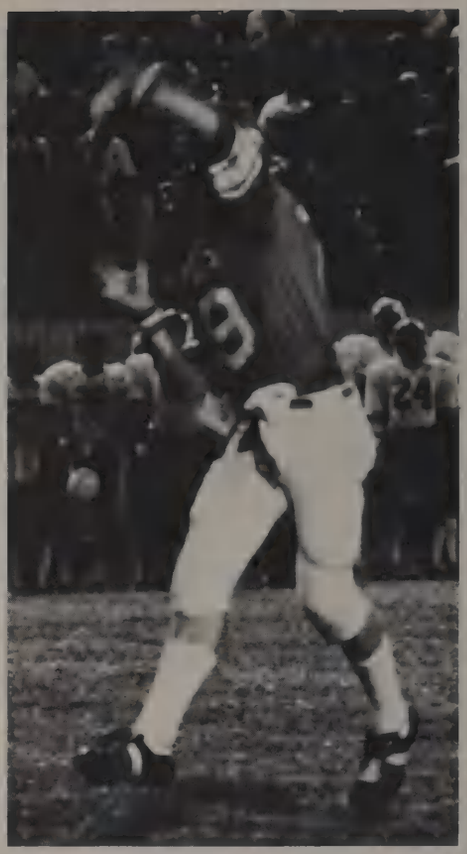
Plano skins Wildcats in 3-0 thriller



As the 'Cats first district competitor, Plano came to Wildcat Stadium a 17 point favorite and left with a hair-raising 3-0 victory.

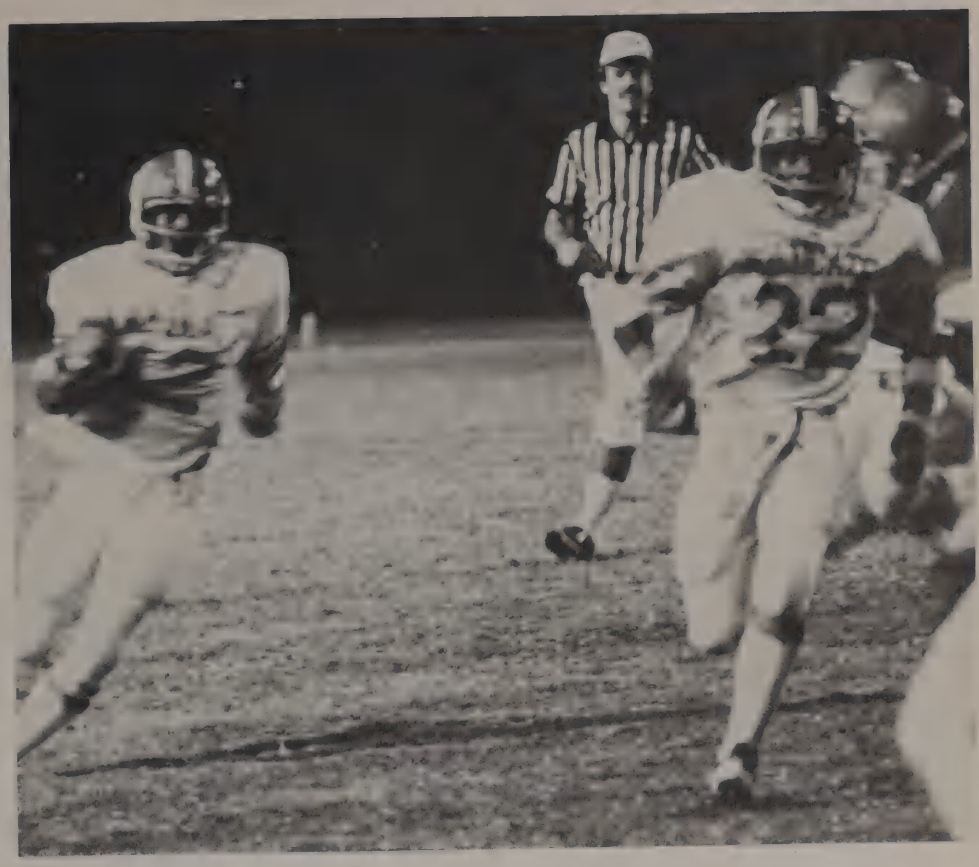
The lone first quarter 25-yard field goal by Plano was enough as LH missed three field goals from 32, 40 and 21 yards.

The highly publicized Plano defense barely held back the Wildcat drives, but came through when needed, as every second half LH drive seemed to just fall short. Junior Henry Crane led the 'Cats with 69 yards on 15 carries, while senior Conner McBride gained an additional 23 yards.

The LH defense played an excellent game as they stopped the Plano rushing game cold. Plano could only muster a 2.1 rushing average and was forced by the 'Cats to cough up three second half fumbles.

UPPER LEFT: Junior Henry Crane turns the ball upfield under hot pursuit. UPPER RIGHT: Quarterback Jeff Leake uncorks a pass late in the fourth period against Plano. RIGHT: Senior Conner McBride (34) cuts around Henry Crane (24) who tries desperately to slow up a Plano defender.

LH, Pearce deadlock in 0-0 duel



A Stonewall defense shut-out the J. J. Pearce Mustangs, although the Wildcats coughed up a total of eight turnovers in failing to score and it all ended in a scoreless tie.

With just six seconds left in the game, a Pearce field goal was maimed by a bad snap, although the kicker managed to get a pass off, only to have the receiver tackled by senior Bishop Pearson at the two-yard line.

Senior Billy Cummings led the offense with 68 yards on 12 carries, while the defense forced three fumbles and juniors Jeff Courtwright and Chuck Bristow intercepted Pearce aerials. Also senior Harry Russo broke through the line late in the fourth quarter to block a Mustang field goal attempt.

UPPER LEFT: Senior L. A. Ransom blindsides Pearce quarterback on important third down play. UPPER RIGHT: Senior Mike Terrell (12) rounds the corner as senior Billy Cummings (22) leads the way. LEFT: Junior Henry Crane (24) plows his way through the Pearce secondary.

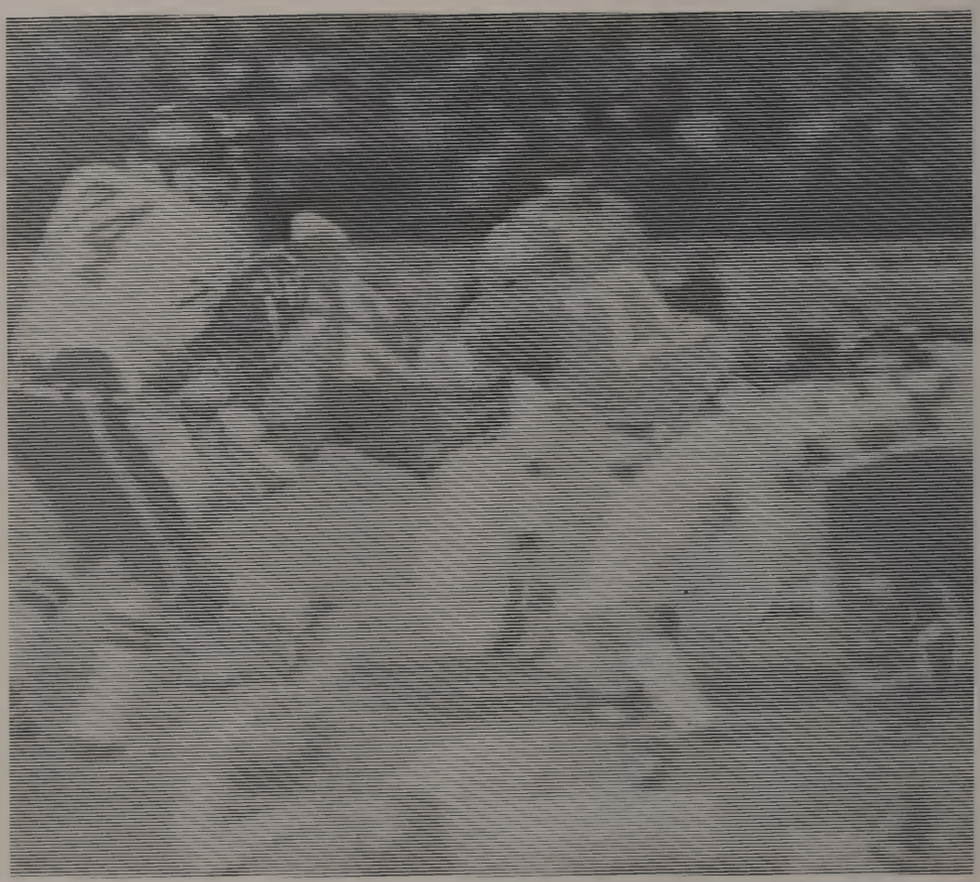
Wildcats bow to district champs

In losing to Sherman 21-0, many thought it was a blow-away for the Bearcats, although the LH offense and defense as well proved to Sherman they are no pushover.

The offense played their best game of the season, mistake-wise, as they turned the ball over once, a fumble in the second period. Although they failed to score, the offense moved the ball well as junior Mike Morris notched 62 yards on 18 tries and junior Henry Crane took 55 steps with 12 carries.

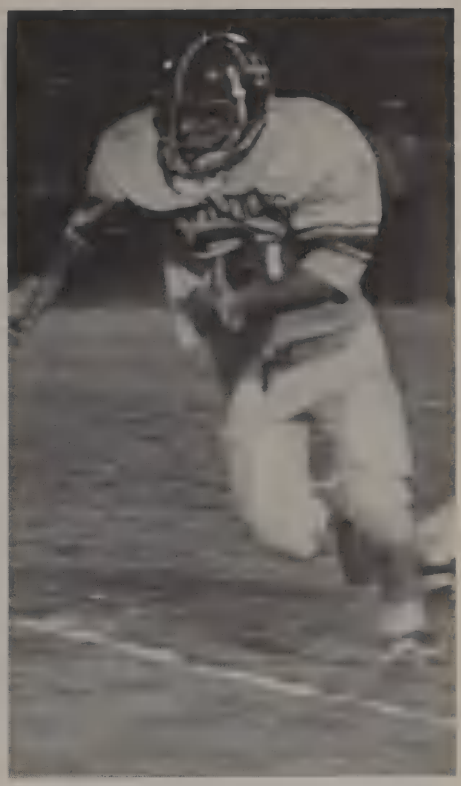
On the defensive side, senior David Hooks was forced to leave early in the second period with a knee injury, but even without him the 'Cats forced six Bearcat miscues. Senior Dodie Everett recovered two fumbles while junior Mark Westmoreland stole a Sherman pass.

On nine punts, senior Steve Flook maintained a high 41.2 average, while the coverage team held Sherman to a remarkable minus three yards on all nine returns.



ABOVE: Junior Don Lovett (77) and senior Bob Rolston watch with anticipation during a tense moment. RIGHT: Junior Mike Morris (27) blasts his way through the Sherman defense as junior Herman Williams (73) leads the way.

'Cats whip Paris in 42-13 runaway



Going into Paris, the Wildcats' offense had not scored in three straight district games, but made up for everything in reeling off 42 points to white-wash Paris Wildcats, 42-13.

The once sluggish offense played a delightful game for the few LH fans as they topped 400 total yards, 322 of which came on the ground. Junior Mike Morris had the 'Cats best game rushing of the year, as he stacked up 158 yards and two touchdowns, one of which came on a 56-yard break away. Senior Conner McBride added 68 yards on 10 carries and scored on a one-yard bolt.

Two new additions to the varsity squad were junior Bob Thompson and sophomore Matt Dunigan. Thompson took over the kicking duties and responded with a 31-yard field goal, while Dunigan, playing quarterback in the second half, also responded with a 16-yard scoring strike to senior Raymond Johnson.

ABOVE LEFT: Senior Steve Flook unleashes one of many punts which led him to a 40-yard punting average for the year. ABOVE RIGHT: Senior Conner McBride charges towards the Paris line on a third and short yardage situation. ABOVE: The Wildcats join in a short last-minute pep talk moments before kick-off.

Rams spoil LH Homecoming, 28-0

The stage was set for the Wildcats to pull off a big upset on the Berkner Rams. With a big Homecoming week under their belt and coming off a 42-13 thrashing of Paris the week before, many thought the Wildcats were capable of terminating the Ram's district title hopes. But it wasn't to be, as the Rams spoiled the LH Homecoming with a 28-0 victory.

The Cats' offense was back to their old tricks, as they could only groind out a meager four first downs and totaled only 69 yards on offense. Senior Steve Flook booted four punts into pounding winds for a 38.2 average, while senior Paul Johnson, juniors Reggie Stafford, Mark Westmoreland and Russell Dickson all played important roles on defense.

UPPER LEFT: Senior L. A. Ransom nails a Ram after a short gain as Chuck Bristow (18) and Mark Westmoreland (67) look on. UPPER RIGHT: Junior Chuck Bristow hangs on tight as Berkner ball carrier vainly tries to escape. RIGHT: Senior Dodie Everett wins a foot race as he catches Berkner runningback in the open field.

Richardson ends LH dominance

Sloshing their way into Richardson, the Wildcats washed away with the mud and rain in a 19-8 defeat to the Eagles.

Coach Joe Bob Johnson's new line-ups proved ineffective as the offense could only manage four first downs, and it took a 59-yard interception return by senior Lewis Stigers to get the 'Cats lone touchdown on the board.

To end the first half, RHS had a first and goal from the LH three, and the Wildcat senior defense put up a four-play, goal line stand. Senior Conner McBride led the ground game as he pounded out 55 yards on 11 carries.

LH held the Eagles to practically nothing in the second half, and when the RHS quarterback finally put the ball up in the air with just 54 seconds remaining, Pearson cut in front of the intended receiver and raced down the sideline with the interception for the score.

UPPER LEFT: Junior Russell Dickson blasts RHS runner which results in a costly fumble. UPPER RIGHT: Senior Conner McBride receives handoff from Senior Mike Terrell. LEFT: Senior Conner McBride escapes clutches of an Eagle defender.

Underdog Wildcats butcher Lions

Taking advantage of eight Greenville turnovers, the Wildcats lit the scoreboard with 32 points in upsetting the Lions 32-7.

The lone spark in the LH offense during the first half came when senior Lewis Stigers hauled a 55-yard touchdown pass from senior Mike Terrell. The teams went into halftime tied 7-7. Then the trouble began for Greenville. In just five minutes the 'Cats built a 26-7 lead on touchdowns scored by juniors Henry Crane and Mike Morriss. Each scored on three-yard bolts. Also, junior Cecil McLane beat the Lion secondary with a 30-yard reception from sophomore Matt Dunigan for a touchdown. To ice the scoring, Mike Terrell rambled 18 yards for six points.

The defense played excellently, holding Greenville to only one penetration and seven points. Matt Dunigan stole two Lion aerials, while senior David Hooks pounced on a loose ball and intercepted a pass.

UPPER RIGHT: Junior Cecil McLane spikes the ball over his shoulder after hauling a 30-yard touchdown pass from Matt Dunnigan. 'Cats drop season finale to Denison

With just three minutes to play, the Wildcats were very much in the game as Denison was out in front 20-15. LH halted a Yellowjacket drive at their own four-yard line, only to be held close to their goal line. On third down, Coach Joe Bob Johnson, playing strategy, instructed quarterback Eugene Denmon to fall on the ball in the endzone for a safety. Behind 22-15 now, LH had to kick from their 20-yard line. Senior Steve Flook booted a wobbly punt down the side-line which was miraculously recovered by the Wildcats. Denison, though, held the Cats once more, and then scored two more meaningless touchdowns to win 37-15.

Senior Billy Cummings led the offense with 66 yards on just five carries. Touchdowns were scored by junior Mike Morris and senior Conner McBride blocked a Denison punt and then recovered it in the end zone for six points.

In his second year at LH, Mr. Jack Clark directed the JV to a 9-1 record.

Kicking off the season, the Cats pounced on Plano's B-Team for a 28-12 victory. The LH offense netted 383 yards, while Richard Gary scored from 12 and 95 yards out. Cecil McLane scored from four yards out, while Steve Tarris went over on a three-yard bolt. Strong defensive play was turned in by Andy Delutis, Prentice Gaines and Russel Dickey.

Richardson's JV was the next LH victim, as LH walked all over the Eagles and won 29-6. Cecil McLane returned the opening kickoff 95 yards for a touchdown, while Steve Prusha, Russel Dickey and Richard Gray accounted for other LH scores.

The Wildcats upped their record to 3-0 while shutting out Plano 14-0. LH played their finest game of the year defensively, as they allowed only eight first downs and forced seven turnovers. The offense was again headed by the outstanding running of Richard Gray and Steve Prusha.

Running their unbeaten record to 5-0 the 'Cats whipped Wilmer Hutchins and Pearce on successive weeks. Then, at Jesuit, the rain and mud combined with injuries beat LH 6-3. A tough Bryan Adams squad was next on the LH agenda as they were unbeaten and held a 29 point per game average. With all this on the line, the 'Cats proceeded to beat BA 14-7. Prusha led the rushing with 86 yards, while Grant Sanders hit five of six passes for 71 yards.

In their last three games at home, the Wildcats' offense dazzled their opponents with 108 points. The 'Cats whipped Kimball 37-19 while totalling 400 yards on offense. The following week, LH hosted Richardson with a combined effort of the B-Team and JV that added up to a 26-6 victory.

The final game of the season proved to be a tribute to a fine season as LH trounced Denison 45-8. Gray scored the first of many LH scores on a 65-yard sprint. Trav Whitehurst then gathered in a 60-yard touchdown pass from Grant Sanders. Ken Burton then scored from 25 yards out, while Sanders followed with a touchdown pass to Van Wright covering 30 yards. Sanders then rambled 15 yards for another score.

Opening the season under the direction of coaches Mr. Bill Robbins and Mr. Leonard Carey, the B-Team held a 1-1 record before district play.

W. T. White held the young inexperienced 'Cats scoreless and won 12-0. The Wildcat offense couldn't quite match the White defense as they could only muster 95 yards on the ground. A week later, LH nudged the Scots 7-6 in a hard fought battle. The rushing attack ripped through the Highland Park defense all night, as Mike Lindberg led the ground gainers with 81 yards on 23 carries, while Thomas Crane added 69 yards.

In their district opener, a tough Plano squad fell to LH 16-0. Mark Balda's 43-yard field goal was the margin at the half, but in the second half the 'Cats exploded for 13 points. Thomas Crane scored once from two yards out, while Lindberg once again led the ground attack with 74 yards.

Topping 500 total yards, the young 'Cats whipped Pearce 40-6. Crane rushed 13 times for 117 yards, while Ralph Troop added 49 more. Matt Dunigan rushed for 78 yards while completing 10 of 18 passes for 203 yards.

Going to Sherman, the Wildcats found the Bearcats' JV squad too tough and fell 32-22. Ralph Troop stepped off 55 yards, while Dunigan added 54 rushing and 138 yards passing. The 'Cats then edged the Paris JV 13-6. Outstanding defensive play won the game for LH as James Grudza recovered a fumble to set up the first score and Barry Gaines intercepted a pass to set up the second.

The B-Team combined with the JV to beat Richardson 26-6 to up their record to 6-2. The 'Cats first place hopes washed away as Greenville topped LH 27-16. Crane ripped the Lion defense for 207 yards and scored a six-pointer on a 30-yard run.

In the season finale, the 'Cats had their best offensive output of the year as they stacked up 405 yards while blasting Denison 48-0. Crane again topped 200 yards with 282, while scoring an LH record five touchdowns on runs of 5, 13, 30, 16, and 5 yards. Crane finished the season with 1,086 yards as LH tied for second in district with a 7-3 mark.

Wildcats dunk foes in 21-11 effort

In a year that wasn't to be, but almost was, the LH Varsity Roundballers revived the student body's faith with a productive and exciting season.

Opening pre-season with a 4-0 record, the Wildcats romped over W. T. White 81-67. Then, giving the crowds nailbiting, one-point victories over Sunset and Highland Park, the 'Cats whipped Jesuit 57-50.

Then, in Irving, the Wildcats found themselves on the wrong end of another close score as their unblemished record was ruined by a score of 62-60.

Opening district play, the 'Cats shut out Plano in overtime and won 62-56. Sophomore Kelly Clayton and junior Brett Chumbley scored 20 and 19 points respectively. Pearce overcame several LH rallies in beating the 'Cats 64-50. Sophomore Ronnie Marr led LH with 12 points.

Sherman gave LH a good scare, but another one-pointer was in favor of the Wildcats, 61-60. Senior Danny Kiniry hit 17 points for the 'Cats. LH ran their record to 3-1 while embarrassing Paris 78-48. Chumbley fired in 28 points to lead all scorers. Chumbley again couldn't miss as he totalled 29 points while LH nudged the Rams 67-64.

The arch rival Richardson Eagles blew the 'Cats in a one-sided second half, 78-59. Chumbley hit 16 points to lead the Wildcats. Then rebounding off the disappointing loss, LH romped over Greenville 77-67. Junior Duane Zea scored 18 points while replacing Steve Seitz who was injured. Then, Denison knocked the 'Cats down to 5-3, in an overwhelming 72-52 shocker to LH.

Starting the second half of district play on the wrong foot, the Wildcats dropped a costly 67-61 deficit to Plano. Sophomore Ronnie Marr scored 16 points, while Junior Mel Traylor kept up his consistent floor play with seven assists and five steals.

Then, fired up after the Plano loss, the cagers beat Pearce 71-65. Kelly Clayton pumped in 24 points, while Kiniry added 15 points to the win.

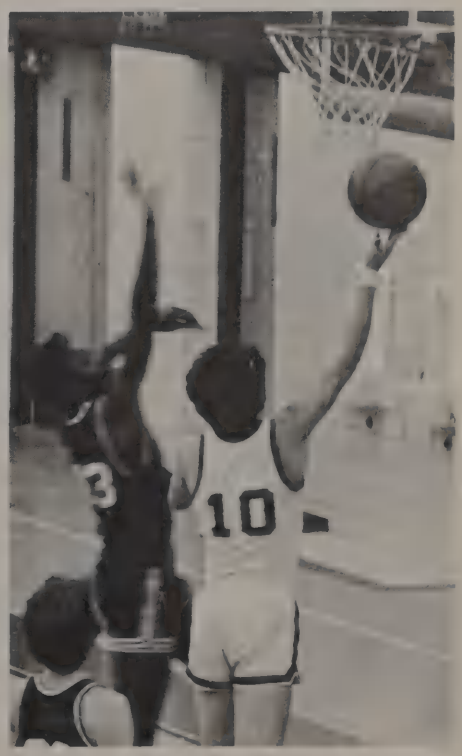
Richardson sinks LH title hopes

Outscoring Sherman all the way, the 'Cats romped over the Bearcats 80-59. Everyone got a piece of the action as Kiniry led the scoring with only 13 points. The Wildcats contained the boards as they out-rebounded Sherman 39-28.

Paris was the next LH victim, and although the 'Cats only won by a 76-65 score, the Wildcat lead never was threatened. Taking a wide 23-11 first quarter lead, Coach Wells was able to empty the bench. Clayton led the Wildcats' scoring slate with 25 points while Kiniry fired in 21. Traylor played excellent also, with 10 assists.

Traveling to Berkner only one-half game out of first place behind Denison, the Wildcats saw their district hopes wash away under a 63-49 thrashing from the Rams. With three starters out of the lineup due to injuries, LH was only down by seven points at the midway point, but the second half proved to be a disaster, as the 'Cats were not up to par. Clayton led the LH scoring with 20 points.

UPPER LEFT: The Plano defense tried everything possible to stop sophomore Kelly Clayton, even gridiron tactics. BELOW: Nice and easy does it every time as junior Mel Traylor flips a lay-up for two.



A packed gym watched a must-win game for both Richardson and LH, and after the first quarter, the Eagles appeared to have wrapped it up with a 25-8 lead. The 'Cats never quit, though, and from as much as a 20-point deficit, they fought back to a one-point margin, only to fall to Richardson 61-60. Clayton led LH with 19 points, while Kiniry grabbed 14 rebounds.

Greenville was no trouble for the 'Cats as LH always led and won by a 80-73 count. Kiniry ripped the nets for 20 points while pulling down 12 rebounds. In the season finale, a spirited LH crowd watched in despair as the Wildcats fell to Denison 58-56 in overtime. Clayton led LH with 16 points and 12 rebounds.

Rounding out a 26-5 season, Coach Clark's B-team roundballers won the district championship by smothering their opponents with quick, aggressive play.

In preparation for district play, LH romped to an 11-3 pre-district record. With big wins over highly rated squads such as Mesquite, 74-59, Highland Park, 80-61 and 70-57, and Jesuit 65-53, the young 'Cats went into district play hot as fire.

Plano found LH not joking around, as the 'Cats bombed them 56-47 in a tough defensive battle. Pearce presented no challenge for LH in a decisive 74-47 whipping of the Mustangs. Mike Martin contributed 17 points to the win.

Raleigh Freeman hit 24 points in a 91-51 thrashing of Sherman. The following week he totalled 21 points while LH smashed Paris 77-62.

Berkner then found out how tough the Wildcats were in a 68-48 runaway. Freeman continued with the hothand, as he poured in 23 points.

UPPER LEFT: Sophomore Raleigh Freeman makes use of the boards in scoring two points. FAR LEFT: Sophomore Steve Cummins feels a slap as he vainly tries to shoot. LEFT: Raleigh Freeman gives a determined look while towering over the opponent.

A total of three points held the 'Cats from a perfect slate in district as Richardson broke the LH streak of eight straight by edging the 'Cats 59-58. Greenville followed by handing the Wildcats another heartbreaker, 58-56. LH then took out their frustrations on Denison, while embarrassing them 84-41.

The second half of district play proved to be a success, as the 'Cats ran to an 8-0 record and the district championship. Plano was the first and Raleigh Freeman's 25 points led LH to a 57-56 victory. Pearce then fell to LH on a decisive 74-56 count. Freeman ripped 29 points for the win.

The next two wins for LH came in Sherman when the 'Cats prevailed 63-52, and then at home against Paris when LH ran away with a 93-56 victory. The Wildcats never could get going to full throttle against Berkner, but still managed a close 59-58 win.

The district title was clenched when LH avenged first half losses by topping Richardson 79-61 and Greenville 66-64. The season finale ended in a 96-66 romp over Denison.

Volleyballers look to '77-'78 season

Scouting for new strategies and formations by attending collegiate and professional competition, the LH girls' volleyball team is looking towards a successful '77-'78 season.

Although the girls finished with a fairly shaky record in '76, Coach Karyn Hughes was pleased with the team's consistent effort as most games closed near the maximum time limit.

Coach Hughes also feels optimistic towards next year's team because they show good potential in height which will aid the offense. Although they will be a young team, preparation will help the team's strength.

LH opened the season by beating Plano 16-14, 3-15 and 15-3. After that, the road was rough and the 'Cats dropped many heartbreaking games.

After losing such notables as Carrie Croan, Mary Catherine Lee, and Jill Hightower, Girl's basketball Coach Ed Zachary compiled a 10-15 record from only three varsity returnees and the former B-team players.

LH kicked off the season, beating North Mesquite 59-51. Senior Jan Haefner pumped in 19 points while sophomore Sandy Lind added 18. Adamson was the next LH victim, as the 'Cats crunched them 54-45. Jan Haefner notched 14 points.

The Wildcats then evened their record at 4-4 with consecutive victories over Mesquite, 74-50, and North Mesquite, 55-57. Against the Skeeters, LH had four scorers in double figures as Jan Haefner led with 21. Haefner again led against the Stallions with 26 points.

In district, the 'Cats were unfortunate as they lost four games by one or two points, and seven by ten or less. Big wins did come, though, against Greenville 57-45 and 83-44 Denison, 65-30 and 67-42, and Berkner 57-51.

Jan Haefner led the season scoring with 468 points through 26 games for an 18.0 average. Sandy Lind averaged 11.7 points while Patty Patteson averaged 10.8.

Running to an 11-8 season record, the Junior Varsity prepared for next year's varsity squad.

The 'Cats started slow as they won only two of five games. However, district play found the 'Cats hot, as they won their first three in a row, including a 56-17 romp over Greenville.

The 'Cats then got slightly shaky as they dropped a two-point decision to Richardson, a tough 74-53 loss to Plano, and a four-point defeat over Pearce. During that spree, though, LH nudged Berkner 32-20.

The last half of the season proved a success, though, as the Wildcats won five out of seven, including three in a row. Denison was first, as the 'Cats rolled 45-38. Then, in a defensive battle, Sherman fell to LH 32-25. Greenville was the third in a row, as a mismatch saw LH on top 63-23. After losing to Richardson, 53-40, the Wildcats edged Berkner 51-50 and Denison 48-26.

The leading scorers on JV were Bonnie Odle, who averaged 16.7 points, and Shawn Asay with a 15.6 average. The team averaged 42.9 points per game, while the varsity carried a 51.7 average.

Leading the LH wrestlers into action for his first year, Coach David Abercrombie led his fairly young squad to many honors and an exciting season.

The Wildcats began the season hurt with many injuries and most starting wrestlers just coming in from football. With that in mind, LH fought an already tough J. J. Pearce squad and dropped a close 33-27 decision. Juniors Greg Finch, Randy Grimmell and Mervin Gilliam won on pins.

In the 'Cats second match, one of the states top teams, St. Marks, topped LH 30-23. One of the high points of the evening was when junior Mike Avina beat the second rated wrestler in state by a decision.

LH then won its first match of the year, 39-21 over William and Vine. Gilliam pinned his opponent, while junior Scott Dunigan pinned his opponent in just 54 seconds. Opening district competition, LH lost a sea-saw battle to Richardson. The 'Cats took to the road again to take on a tough MacArthur squad, and lost on a close 36-33 count.

Turning the losing tide on Berkner, the Wildcats crushed the Rams 66-3, while scoring a season high point total, the entire squad with the exception of one, scored a pin.

ABOVE: The Wildcat bench watches intently while Coach Abercrombie (far right) calls instructions. LEFT: Junior Mike Avina finds himself in a strange position and not many ways out.

Hitting the road again, LH scored a come-from-behind victory over Jesuit. Junior Heavyweight Herman Williams clinched the victory with a pin. Preparing for the conference meet, LH edged Plano 33-32.

Richardson High set the stage for the Conference Tournament as the 'Cats finished fifth. Eleven of the twelve LH participants placed, with three of them advancing to the state meet. Cliff Davis and Fred Balda captured third places, while Herman Williams took second.

In the city meet, three LH grapplers captured a first place. City champs were Mark Emard (135 lbs.), Tony Weigand (141 lbs.) and heavyweight Herman Williams.

Swimmers boast unblemished record

Turning out their best record ever, the Lake Highlands swim team boasted a productive season.

The girl's team went undefeated in duel meets, and captured third at the North Texas TISCA swim meet, and won both the Trinity Invitational and the Wichita Invitational swim meets.

The boy's team won all but one of their duel meets, placed second at Trinity, and shared a double victory with the girls by winning at Wichita Falls. During Regionals, LH placed second in the girls' division, and third in boys and girls combined scores.

Senior Beth Lutz, All-American for her third straight year, set five new school records. She is the first to hold all the girls records at one time.

Junior Melanie Nicol broke her own record in diving to give the girls six new records.

The boys also broke six records, including both relays. Juniors Kenny Adams and John Sikora and sophomore Don McMahon each set individual records.

One of the highlights of the year was the performance of the girls 400 free relay. It consisted of seniors Kathleen Lawson, and Beth Lutz and sophomores Joan Hudel and Lindy Lauderdale. Their time broke the old record by 14 seconds.

CC captures fourth in state meet

Running with practically an identical roster as last year's State Championship squad, the 1976 Cross Country team was looking past everything to repeating their championship. But it wasn't to be. With their highest finish being tenth, the Wildcats took a high but personally disappointing fourth place in the state meet.

In their opening meet of the year, the 'Cats took second place at Kiest Park in Oak Cliff. In a field of 104 runners, senior James Scott placed sixth and junior Bob Potrykus placed eight.

The Wildcats then took first place in their next two meets. At Samuel East in Mesquite Bob Potrykus took second while James Scott was behind him in third. Senior Mike Clayton finished fifth. The Wildcats also took first in Arlington.

Fort Worth was next, on the LH schedule, as the Wildcats finished second. Turning in fine performances were senior Mike Clayton, James Scott, Aadrian Anderson and junior Bob Potrykus.

At the St. Marks meet, held at Norbuck Park, LH had no trouble capturing first, as the 'Cats owned four of the top six finishes, Mike Clayton placed second, Bob Potrykus finished third, Aadrian Anderson fourth and James Scott placed sixth.

The following week, the Wildcats again dominated the field at the regional meet. Bob Potrykus set a course record with a time of 9:36, while capturing first place. Also seniors James Scott, Mike Clayton, and Aadrian Anderson all broke ten minutes.

Then in Austin, Bob Potrykus finished highest for LH at tenth, and the Wildcats took fourth place, their lowest place in any meet in the last two years.

LH Gymnasts rank seventh in state

Competing with 14 schools, the LH gymnastics team, led by Coach Denise Jones, secured a second place in regionals, and then went on to take seventh in state.

Miss Jones originated the team early in December. From then until February, LH competed in five tournaments and fared well in them all.

Competition began in December at Berkner High School. The boys and girls won first place in the compulsary division. Then LH hosted their own meet in which they won second out of six teams. Captain Cindy Watson took a first in that meet. At the Richardson High Invitational, Melissa McSpedden won third in vaulting. Then at McArthur, LH won first overall and first and second in individual events.

The team was composed of 35 girls and 10 boys. Miss Jones plans to cut the girls down to 20 and wants to get more boys involved.

Apparently on the road to a successful season, the LH varsity soccer team stammered through district play to a final 3-5-0 regular season record.

Coach Tommy Townsend and senior captains Lance Arianna and Stewart White led the Wildcats to two out of three preseason victories. Coach Townsend agreed that the varsity squad displayed excellent ball control and team unity in exhibition, but failed to compete among 13-AAAA teams in district competition.

The season was highlighted by victories over Sherman, Berkner, and Denton, but was disappointing with narrow losses to arch rivals Richardson, 2-1, and Pearce, 3-2.

Sophomore David Linenberger topped the scoring for the 'Cats with five goals on the season, while goalkeeper Mike Howell, a junior, directed the LH defense.

Many foresaw a winning season for the Wildcats; this prediction encouraged by Lake Highlands' superb preseason play. The 'Cats, however, fell victim to Plano in the season opener. The team failed to kick up a true scoring punch the remainder of the season, as cold winter winds took their toll, keeping game attendances to a mere minimum.

Meanwhile, Pearce's Mustangs went on to take the district crown for the second straight season.

The Wildcat soccer team, having never won a district title, is looking for a savior, as such, which can only come, according to Coach Townsend, through school and student support.

Girls soccer team gains experience

Nationwide, soccer is rapidly growing, and the '76-'77 school year found girl's soccer jumping into the LH sports department. Headed by Coach Mark Adams, who is also in his first year at LH, the girls gained valuable experience in basic skills as well as competitive play.

Leading the girls were seniors Merinda Smart and Nancy Smith. With the exception of those two, everyone else will be returning next year. Merinda was tied with sophomore Valerie Shane as the leading scorers for LH, while junior Mary Lynn McKnight played excellent defense throughout the year. Junior Susan Sharp played goalie.

Tracksters finish sixth in district bout

Heading the Wildcat Track Team for his first year, Coach Sam Austin took a group of mostly juniors and sophomores and won sixth place in district.

In preparation for district, LH competed in the Texas A&M Invitational which they won fourth out of 11 teams, and then the Southwest Recreation Meet in Ft. Worth which they took fifth in a field of twenty.

At A&M, LH took two fifth places in field events, junior Chuck Brewer cleared 12 feet in the pole vault while junior Chris Smith leaped 20'7" in the long jump.

In the two-mile run, junior Bob Potrykus won with a time of 9:47.1, while senior Mike Clayton won the mile.

In Ft. Worth, Mike Clayton, and seniors Aadrian Anderson and James Scott finished the top three in that order in the mile.

At the district meet at Richardson, LH took sixth overall and sent two boys to regionals. Sophomore Chris Smith advanced in the 330 intermediate hurdles, while senior Mike Clayton will compete in the mile run.

Coach Austin has high hopes for next years team because three-fourths of the team will be returning.

Preparing for district, the girls competed in several meets, which included the Irving Invitational, the Ft. Worth meet, the Ennis Invitational and the LH Invitational.

In Irving, junior Charlotte Gauthier placed fourth in the 100, while junior Karen Spillman placed fifth in the mile. Fort Worth found Karen Spillman finishing second in the mile, while Gauthier grabbed second in the long jump.

In the district meet, LH finished fifth with 46 points behind Pearce (144), Richardson (106), Berkner (74), and Paris (56).

In the field events, LH had four places out of five events. In the shot put, Shelly Collier placed fourth with a distance of 32'2½", while Laurie Sanders took fifth at 29'10¾". In the triple jump junior Charlotte Gauthier won fourth as she jumped 32'6", and in the high jump, junior Jan Haefner won fifth at 4'8".

In the 100, Charlotte Gauthier missed going to the regionals by only .5 second. She ran 11.45 for third place. In the mile relay, Mary Ann Rice, Jan Haefner, Shellie Collier, and Charlotte Gauthier won fourth at 4:25.7.

The varsity, made up of senior Carey O'Bryant, juniors Chet Kendall, Steve Afendis, Mike Grant, Danny Hendrix and sophomore Brian Jones competed in three tournaments before district. In the Plano Invitational, LH place eighth out of 19 teams. Then the 'Cats' took tenth at the Fort Worth Recreational Meet in a field of 20, followed by a twelfth place at the Irving Tourney.

The district meet, which was held at Sherrell Park in Richardson, found LH taking a somewhat dismal seventh. Four round scores found Jones leading LH with a 327, followed by Afendis, 335, and O'Bryant at 343.

Securing a fourth place in district with an 8-8 record, the LH baseballers, headed by Coach Jay Higgins, found a slight disappointment over the course of the season after being picked number one by the Morning News.

Strolling to a 9-4 pre-district record, the Wildcats knocked off Highland Park in the season opener 12-3 and then Garland 10-6. LH rapped out 22 hits in the first two contests.

After repeats on the Scots and Owls again, LH entered the Richardson Tourney and won the Consolation Championship.

R. L. Turner, one of the city's top teams beat the Cats 3-2 in the opener. Senior Rory Hanks then ripped off two homers from Richardson which led LH to an 8-4 victory and a championship berth. Garland again became victims to LH, as junior James Tanner tossed a two hitter leading the Wildcats to an 11-0 victory and the crown.

Plano arrived at LH for the district opener and Hanks pitched a great game while ripping three hits, which included a triple and a homer, as the Wildcats coasted to a 9-4 victory.

LEFT: Senior Randy Brattlof tags a Plano opponent out as Jimmy McBride and Mark Dempsy look on. BELOW: Junior Mark Westmoreland prepares to tag a Garland player out at home plate.

Rain halted practically the whole first half of district, and after many make-ups, LH held a fourth place district with a 5-5 record. Over the course of the first half, the Wildcats enjoyed wins over Pearce, 7-0, Richardson, 10-3, and Greenville 21-11. Andy Delutis shut down Pearce on three hits while Hanks belted another homer. Hanks put another one out against the Eagles, while the Cats once held a 21-2 lead over the Lions.

Hanks began the second half of district with a one-hit pitching game against Plano as LH prevailed 6-0. After dropping three straight to vanquish all LH title hopes, the Cats whipped Berkner 9-3 after four rain delays.

The Eagles dropped LH 6-2, then the Cats blew Greenville 7-0 on Andy Delutis arm.

Many post-season honors came the Cats way as Rory Hanks took it all. Hanks was named first team All-District, first, team All-City and played June 25 in the North-South All-Star game at Houston's Astrodome.

The All-District second team included juniors Jim McBride, Andy Delutis and senior Greg Smith. Juniors Brad Reid, Mark Westmoreland and senior Randy Bratloff received Honorable Mention.

On the All-City team, Hanks was voted MVP while, McBride, Bratloff, Smith, and Delutis all were picked for first team, Rick Mathies, Reid and Westmoreland were picked for second team.

A big plus for LH was when Smith, Hanks, and Bratloff were selected to play in the "Showcase of Stars" June 11 and 12 at Arlington Stadium.

New courses added, changes initiated

Changes, enthusiasm, and competence exemplified the Lake Highlands faculty for the 1976-77 school year. Jimmie Fountain's first year as head principal was marked by numerous changes and the enforcement of several new policies.

Mr. Fountain was an assistant principal at LH from 1963 to 1966. He then assumed the responsibility of head principal at West Junior High for seven years.

Two new assistant principals and twenty new teachers were added to the staff to fill various vacancies.

New to LH this year was Mr. Olen Pyles, junior unit principal and head of maintenance and custodians. Mr. Pyles came from West Junior High where he worked with Jimmie Fountain for three years.

Another newcomer was Mr. James Taylor, sophomore unit principal. Mr. Taylor was physical education instructor at Stults Road Elementary last year. He, too, previously worked with Mr. Fountain.

Mr. Mike Ogg, who was previously junior class principal, was assistant principal in charge of special services and Mr. Tom Whitman continued as Senior Class principal.

Diversified interests typify faculty

Varied interests characterized the lifestyles of numerous teachers and administration.

Mr. Bryant Wolf, Lake Highlands physics and calculus teacher, was awarded Outstanding Teacher of the Year in Texas award by the American Association of Physics. Mr. Wolf has taught at LH for 15 years.

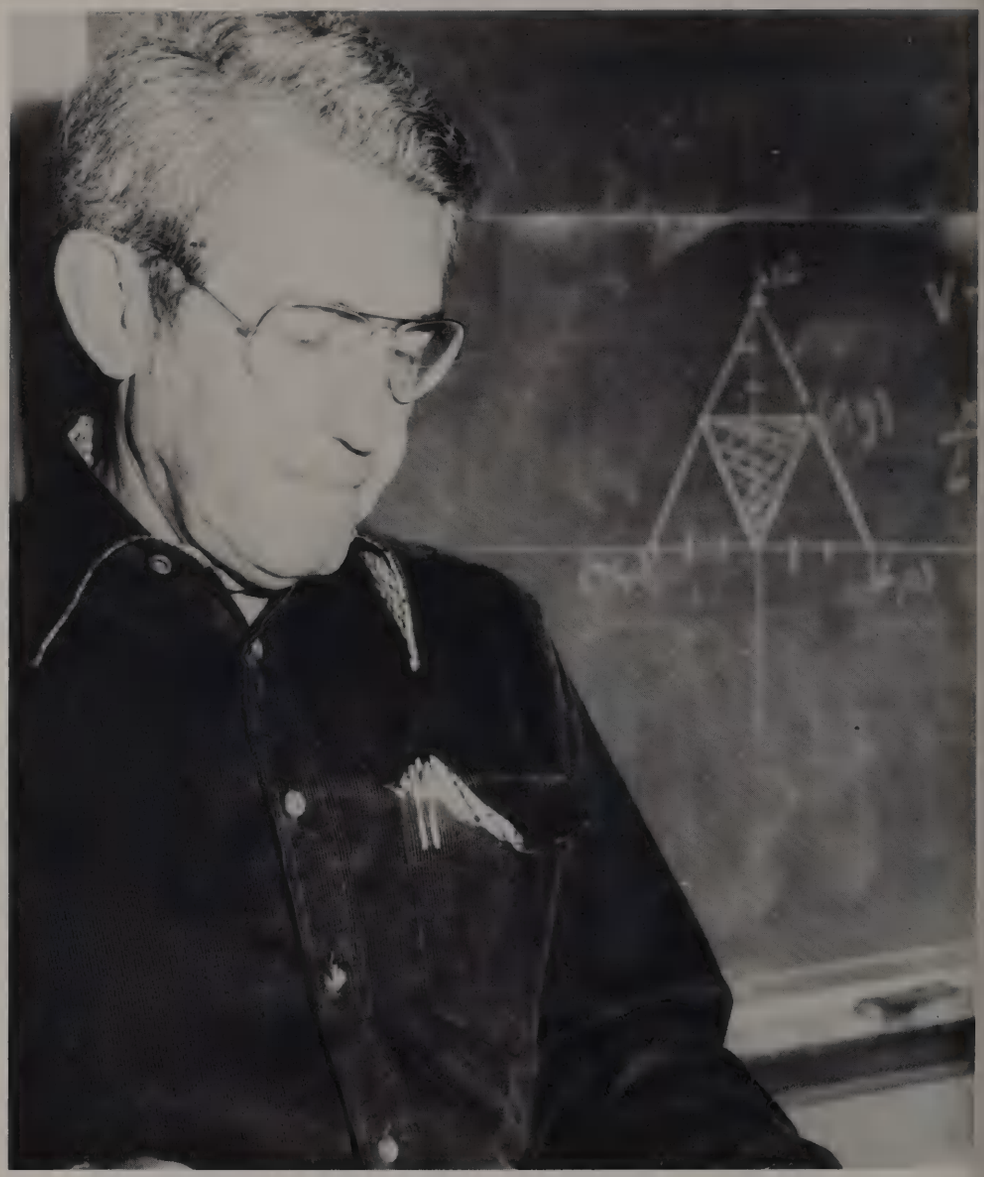
Patti Blide, Reading Improvement teacher, was a member of the Dallas Cross Country team and has run in five marathons. In her fifth marathon, held at White Rock Lake December 4, 1976, Mrs. Price placed first in her age group and fourth overall in the race.

Mary Ann Runberg, AP English teacher for 9 years, moved to Houston in December after her husband was transferred.

Naomi White, senior class secretary, moved to Austin in December, also due to her husband's transfer.

For the past 3 years, Mrs. Betsy Pritchett, Head of the Homemaking Department, spent over 75 hours a month ice skating at the Palace Ice Arena in Richardson. Workouts 6 days a week at 5 a.m. enabled Mrs. Pritchett to perfect her figure skating techniques.

Another avid ice skater was Mrs. Mary Jane Hutchinson, English III teacher. Mrs. Hutchinson has skated at the Ice Chalet in Addison for the past four years.



RIGHT: Mr. Bryant Wolf, physics and calculus teacher, was named Outstanding Teacher of the Year in Texas. BELOW LEFT: After 5 years as senior class secretary Mrs. Naomi White left Lake Highlands and Dallas to move to Austin, Texas. BELOW RIGHT: Chemistry teacher Kelwyn Ellis explains density to his AP Chemistry class.

Senior Class Officers

Light bulb sales add to class treasury

Spirit, enthusiasm, and anxiety all exemplify the Class of '77 as the seniors came through their final year of high school with a variety of activities and awards.

Led by class officers Brad Hutchison, President; Donald Giddings, Vice President; Kim Loy, Secretary; Mary Ellen Blake, Treasurer; and Amy Royal, Student Council Reporter, the class of '77 sold light bulbs in the fall to raise money for the spring activities. A victory party after the Greenville football game and the traditional Senior Show in the spring also helped boost the class treasury.

Anxiety mounted as graduation neared and plans for the future were decided upon. College Night and Career Night gave students the opportunity to look at the decisions and options ahead of them.

Many seniors were honored with awards and scholarships throughout the year. National Merit Finalist, Who's Who Among American High School Students, Boy and Girl of the Month, and National Award of Excellence were only a few of the awards given to outstanding members of the class.

RIGHT: Senior Diane Stewart, Student Senate Historian, provides 101 reasons to buy Student Council donuts. BELOW: Senior Glenn Stone and Junior Katherine Eubanks pause among the traces of decorations after the Dennison pep rally. BELOW: Seniors Jill Hartsell and Martha Myer relax in the auditorium after a slide show preview of the 1977 WILDCAT.

Entertainment enlivens final year

ABOVE LEFT: Senior Melody Smith adds a mellow mood to the Varsity Revue with her original song, "Everyone Needs Someone." RIGHT: A perfected routine is performed by senior Amy Quick during the Homecoming Game. ABOVE RIGHT: The characterizations of seniors Donald Giddings and David Hartley contribute to the success of the Drama department's melodrama, "Down with the Demon Drink."

Pep rallies unite spirited seniors

Pep rallies provided each class the opportunity to demonstrate their creativity and spirit during the fall season.

The Cheerleaders awarded the spirit stick to the class or group with the most participation throughout the week and during the pep rally. Seniors led the enthusiasm away winning such spirit projects as the largest sign, the longest spirit chain, and the best decorated hall.

The Highlandettes sold ribbons and gave away coveted prizes, and the Spirit Team passed out cupcakes, and fruit to the football team.

Excitement mounted as the band closed each pep rally with the Wildcat fight song and alma mater. The Key Club Bellboys and the Flaghangers each contributed their support as did the faculty and administration.

UPPER RIGHT: Head Varsity Cheerleader Kris Tinsley, along with other yell leaders, demonstrates the diverse methods of rallying spirit at the Richardson pep rally. BELOW: The enthusiasm of senior Tim Dannemiller and the rest of the senior class results in the winning of the spirit stick at the Highland Park pep rally. BELOW RIGHT: Senior Bellboy David Jackson leads his class to victory at the Highland Park pep rally.

Elvis II entertains, delights fans

Among the countless fund-raising projects participated in by various clubs and classes, the 1976-77 Junior Class sponsored one major money-making effort. The spectacular Elvis II, Rick Presley, entertained the LH student body, Wednesday, December 1, during third period, with his realistic impersonations of Elvis Presley. He also sang selections by Willie Nelson, Credance Clearwater and Neil Diamond.

The concert was highlighted with performances of "You're Nothing But A Hound Dog" by Senior Class Principal, Tom Whitman, and Junior Class Principal, Olen Pyles. The proceeds tallied close to $1,600; and after paying Mr. Presley $500, the Junior Class had collected over $1,000 toward their Senior Prom in 1977.

UPPER LEFT: Entertainer Rick Presley shakes hands with excited fans at the Junior Class sponsored concert. LEFT: Junior Randy Mossman, Varsity Cheerleader, demonstrates his agility at the Highland Park game. ABOVE: Rick Presley sings "Love Me Tender" at his spectacular concert on December 1.

John Williams leads Class of 1978

Leadership, spirit, and active imagination were only a few of the outstanding qualities possessed by the 1976-77 Junior Class officers. From great participation in spirit projects at all pep rallies, to the exceptional fund-raising Elvis II concert, the Junior Class officers led the class of 1978 in a spectacular junior year. The officers, led by President, John Williams; Vice-President, Tony Wiegand; Secretary, Lisa Turner; and Treasurer, Karen Klaras; participated enthusiastically in all school activities.

Supporting the Juniors in their efforts were the Junior Class sponsors, John Williams, Harriet Gross, Kathleen Fitzpatrick and Junior class principal, Mr. Olen Pyles. The enthusiasm and willingness to assist in all projects marked these involved sponsors.

Junior upset produces 'tuba-feet'

Minding his own business, junior Temple Drummond was spending a leisurely free period browsing around the band hall, when from out of nowhere came two band hall bouncers, juniors Jerry Sullivan and Chris Pane. Mistaking him for a vandal, these two duty conscious "guardian angels" promptly picked him up and dumped him head first into a nearby instrument. IN A WORD: never linger beside a tuba. (Photos by Randy Sedlacek).

Spurring enthusiasm throughout the year with your vivaciousness . . .

Sophomore Class Officers

Vivacious sophomores lead spirit

With the awareness of new surroundings, new faces and new challenges, the Sophomore class of '77 began preparation for their high school years by setting new goals.

Beginning the year with class officer elections, the class members measured the promises and goals of each candidate and selected the leaders of their class.

Led by President Phillip Walton, the Sophomore class officers were Vice President, Tracee McKee; Secretary, Brenda Reagan; Treasurer, Melissa McSpedden, and Student Council Reporter, Katie Gill.

Supporting the Sophomore class in all their activities were class sponsors Mrs. Nancy Pinder, and Mr. Jim Caldwell.

By demonstrating an abundance of spirit at pep rallies and by having the largest attendance, the sophomores claimed the spirit stick on several occasions and participated in several spirit organizations.

Active club participation also characterized the sophomores as over 100 girls participated in GSL.

Popcorn sales promote '79 prom

Kicking off the year with their first fund-raising project, selling popcorn, the largest Sophomore class, totaling 830 students, began their never-ending drive toward the Senior Prom.

Sophomore Julie Pasley won a trip to Disneyworld after selling a record 118 boxes of popcorn. She flew to Houston in June and met with the other top winners; then flew to Disneyworld in Florida. The popcorn sales proved profitable as they netted a total of $2,250. Funds were also raised from the party after the Greenville basketball game January 14.

The B-team football team claimed a victorious season with a 7-3 record. Providing support at each game were the Sophomore cheerleaders elected by the student body at the beginning of the year. The spirit leaders were: Leslie Adwan, Sharon Chancey, Robin Eubanks, Lee Ann Gilliam, Beth Klien, Beth McGinnis, Mary Ann Rice, and Karen Travis. These girls also provided spirit at all JV games.

UPPER LEFT: Sophomore Carter Moore takes advantage of Fair Day to vent his anger on fellow classmates in the bumper cars. ABOVE: A future Lake Highlands student joins the sophomores in their first Homecoming. RIGHT: Sophomore David Strickland discovers a new method of transportation around Lake Highlands during the first few weeks of school.

Dr. J. J. Pearce: The end of an era

Back in 1946, when the small town of Richardson was a typically rural community with only one red-brick schoolhouse, a tall, slender man named Joseph Jones Pearce appeared and changed the entire district's perspective on education.

31 years later, the era of J. J. Pearce as superintendent of Richardson schools comes to an end. Upon his retirement, he leaves behind him countless accomplishments and contributions that have helped make the mushrooming district one of the most respected in the nation.

As evidence of his leadership ability, numerous awards and plaques from various colleges and institutions line the walls of his office. He has served as president for organizations such as the Texas School Administrators Association, the Texas Chapter of the National School Public Relations Association, the North Texas Schoolmaster Club, and the Texas State Teachers Association Administrators Organization. Other offices include the Board of Directors for Dallas Camp Fire Girls, Richardson Chamber of Commerce, Richardson Rotary Club, and the Richardson Centennial Club. He is currently an active member in over 13 civic and service groups. Dr. Pearce serves his church, the first Baptist Church of Richardson, as a member of the Board of Deacons. Because of his Christian leadership in the community, he was awarded an honorary doctorate from Howard Payne University.

Dr. Pearce believes that teachers should have a love for youngsters, and for their jobs; that being a teacher is more than just an occupation.

Dr. Pearce helped coordinate the Hamilton Park Pacesetter Program, RISD's answer to the desegregation order. Originally the brainchild of Dr. John Roberts, deputy superintendent, for instruction, the program will begin its third year this fall.

Dr. Roberts was the first principal at Wallace Elementary, and has been in the RISD for 18 years. Dr. Roberts will assume Dr. Pearce's position as superintendent July 1, 1977.

Upon his retirement, Dr. Pearce expects only continued progress for the system, and about the future, he is very blunt. "I'm a has-been, but there will be plenty I can do."

UPPER LEFT: In 1976, Dr. Pearce was honored with the distinction of being chosen "Citizen of the Century." ABOVE: Dr. Pearce takes an active part in over 13 civic groups in the community. LEFT: Smiling, Dr. Pearce relates stories of the 12 original schools in the district.

Liz:

Hey Hello!

You're really a really great gal. Please stay that way! You've been a big help to me. You've "always" been there when I needed you & believe me — when I needed you the most. You're a great friend & alot of fun. Hope in the future we can remain closer & even become closer. Hope so anyway. But remember: — if you should ever need anyone to talk to — I'll always be here & ready to listen. Always remember it, too!

Love Ya, lots. Thanks again & for making my year a great one!

Shari Robertson

Liz:

Its really nice to know someone like you. You really have been a great friend Keep in Touch

Love You
Randy

P.S. I don't know much else to say except I hope something nice happens to you. Stay in Touch Love
